ELSEVIER

Early Human Development 40 (1995) 169–209

Early Human Development

Cumulative Subject Index

Vols. 25–40

A

ABR; Auditory evoked responses; Detectability; Preterm infants; MLR; ACR; Maturation **26** (1991) 129

ACR; Auditory evoked responses; Detectability; Preterm infants; ABR; MLR; Maturation **26** (1991) 129

ADHD (attention deficit hyperactivity disorder); MBD (minimal brain dysfunction); Clumsiness; Neurobehavioural disorders; Pre- and perinatal risk factors; Attention; Motor control **34** (1993) 169

AGA; Visual acuity; Development; Neonates; Preterms; Full terms; SGA; low birth rate; Low-risk **28** (1991) 155

ALTE; Apnoea, general movements; Quality assessment; Sleep; Sudden infant death, video observation **40** (1994) 39

Abdominal skinfold; Preterm infants; Subscapular skinfold; Triceps skinfold **33** (1993) 177

Abnormal fetal behaviour; Fanconi anaemia; Developmental postmortem; Spongiform degeneration of white matter **36** (1993) 137

Abruptio placentae; Low birthweight; Cerebral palsy; Neurodevelopmental disability **35** (1993) 45

Acceleration; Preterm fetus well-being; Low amplitude of LTV **29** (1992) 251

Acidaemia; Umbical artery; Neonate; Respiratory rate; Heart rate **32** (1992) 103

Acute maternal hypoxemia; Doppler waveform analysis (DWA); Fetal heart rate (FHR); Fetal ovine model **25** (1991) 1

Adipose tissue; Human development; Fetuses; Pelvis; Connective tissue **28** (1991) 79

Albumin; Alpha-fetoprotein; Pregnancy **34** (1993) 209

Albumin; Bilirubin; Brain; Bilirubin encephalopathy; Hyperoxia; Hypoxanthine; Xanthine oxidase; Free radicals; Rat **30** (1992) 171

Albumin injection; Non-immunologic hydrops fetalis; Digitalization **29** (1992) 241

Alcohol consumption; Pregnancy, Birth weight; Preterm delivery **32** (1992) 121

Allometry; Human fetal heart; Sonography; Morphometry; Anatomy **35** (1993) 173

Alpha-2-macroglobulin; Fetal growth restriction; Birth weight **33** (1993) 201

Alpha-fetoprotein; Albumin; Pregnancy **34** (1993) 209

Amino acid profiles; Low birth weight neonate; Total parenteral nutrition **32** (1992) 71

Amino acid transport; Fetal amino acids; Fetal metabolism; Placental amino acids; Placental metabolism **29** (1992) 99

Amino acids; Intrauterine growth retardation; Percutaneous umbilical blood sampling (PUBS) **29** (1992) 183

Ammonia production; Fetal metabolism; Uteroplacental metabolism; Umbilical artery; Umbilical vein; Fetus; Human **33** (1993) 1

Amniocytes; In situ hybridization; Chorionic villi; Probes **33** (1993) 101

Amniotic fluid; Down's syndrome; SP1 **37** (1994) 175

Amniotic fluid; Endometrium; Placental protein 14 **36** (1993) 113

Amniotic fluid; IGF-1; IGFBP-1; Extraembryonic coelom; First trimester **28** (1991) 105

Amniotic fluid; Prolactin; Pregnancy; Extraembryonic coelom **35** (1993) 167

Amniotomy; Prolonged labour; Caesarean section **29** (1992) 309

Anaemia of prematurity; Erythropoietin; Jehovah's Witness **28** (1991) 279

0378-3782/95/$09.50 © 1995 Elsevier Science Ireland Ltd. All rights reserved

Analysis; Sucking behaviour; Newborn infant; Low-risk full-term infant; Audio-visual aids **27** (1991) 163

Anatomy; Human fetal heart; Sonography; Morphometry; Allometry **35** (1993) 173

Anemia; Fetus; Rh-incompatibility; Transfusion **29** (1992) 237

Anencephalus; Brain segment; Fetal heart rate; Neural control; Pulsed-Doppler ultrasound cardiotocography; Probability distribution matrix **36** (1993) 101

Antenatal causes; Cerebral palsy; Prevalence; Low birth weight infants; Postnatal causes **36** (1993) 81

Antenatal diagnosis; Congenital lung lesion; Hyperechogenic lung lesion; Cystic lung lesion; Ultrasound; CT scan **35** (1993) 55

Antenatal diagnosis; Fetal abnormality; Fetal surgery; Ultrasonic examination **29** (1992) 357

Antenatal diagnosis; Ovarian cyst **29** (1992) 363

Antenatal; Fetus; Gastrointestinal motility; Gastric emptying **33** (1993) 109

Antepartum fetal death; Congenital anomaly; Exposure to hazards; Paternal smoking; Risk factor; Threatened abortion **28** (1991) 193

Antepartum stillbirth; Unexplained epidemiology **30** (1992) 147

Anthropology; Sudden infant death syndrome (SIDS); Ethnicity; Co-sleeping; Sensory environment **38** (1994) 203

Anthropometric measurements; Human fetus; reference values; Fetal biometric parameters; Perinatal autopsy **33** (1993) 45

Anthropometry; Child; Growth standards; Deprivation **31** (1992) 157

Anthropometry; Fetal growth; Intrauterine growth retardation; Ultrasound; Newborn **30** (1992) 139

Anthropometry; Neonates; Umbilical cord position **31** (1992) 167

Anticoagulants; Prenatal exposure; Neurological development; Cognitive development; Behavioural development; Warfarin embryopathy **38** (1994) 97

Apgar scores; Resuscitation; Preterm; Inflating pressure **26** (1991) 69

Apnea; Ventilatory response; CO_2; SIDS **35** (1993) 183

Apnoea, general movements; ALTE; Quality assessment; Sleep; Sudden infant death, video observation **40** (1994) 39

Appropriate for gestational age; Growth; Postnatal; Japanese infants; Very low birth weight **37** (1994) 151

Appropriate technology; Perinatal mortality; Regionalized perinatal care **29** (1992) 203

Appropriate-for-gestational-age; Cerebellar vermis; Small-for-gestational-age; Ultrasonography **33** (1993) 9

Arm movements; Neural network; Motor control; Development; Model **34** (1993) 101

Arm; Blood pressure; Oscillometric method; Calf; Sleep; Newborn **26** (1991) 203

Arm; Newborn; Baroreceptors; Tilt; Calf; Blood pressure; Heart rate **26** (1991) 213

Arousals; Infant sleep; SIDS risk factors; Evolution; Co-sleeping; Mother-infant pairs **38** (1994) 187

Arteriovenous anastomoses; Skin blood flow; Heart rate variability; Thermo-regulation; Infant **39** (1994) 69

Ascending infections; Prevention of prematurity; Prevention of late abortion **29** (1992) 15

Asians; Sudden infant death syndrome (SIDS); Body temperature **38** (1994) 181

Asians; Sudden infant death syndrome (SIDS); Infant care practices **38** (1994) 209

Asphyxia; Multisystem involvement; Neurodevelopmental sequelae **25** (1991) 135

Asphyxia; Low birthweight; Development; Developmental delay; Brainstem; Auditory evoked responses; Hearing; Neurology **30** (1992) 61

Assessment of fetal well-being; Intra-uterine growth retardation; Fetal heart rate monitoring; Computer CTG; Fetal movements; Flow velocity wave form **31** (1992) 195

Assessment; Infants; Motor performance; Development; Follow-up **40** (1994) 127

Asymmetric and symmetric intrauerine growth retardation; Preterm infant; Neurological development **28** (1991) 7

Asymmetry; Walking patterns; Preterm infants; Fullterm infants; Locomotion; Videorecording **35** (1993) 193

Atrial natriuretic factor (ANF); Urine volume; Cyclic-GMP; Endothelin **29** (1992) 161

Atrial natriuretic peptide; Cyclic guanosine monophosphate; Sodium excretion; Preterm infant; Newborn **28** (1991) 145

Atrial systole; Ventricular dimensions; Heart rate **40** (1994) 109

Attention; MBD (minimal brain dysfunction); ADHD (attention deficit hyperactivity disorder); Clumsiness; Neurobehavioural dis-

orders; Pre- and perinatal risk factors; Motor control **34** (1993) 169

Attention; Minor neurological dysfunction; Information processing; Event related potentials; P300 **34** (1993) 69

Audio-visual aids; Sucking behaviour; Newborn infant; Low-risk full-term infant; Analysis **27** (1991) 163

Auditory brain stem responses; Brain maturation; Infants of diabetic mothers (IDMs) **30** (1992) 221

Auditory brainstem evoked responses (ABR); Auditory evoked responses; Neonatal; Preterm infants; Middle latency auditory evoked responses (MLR); Auditory cortical evoked responses (ACR) **31** (1992) 113

Auditory cortical evoked responses (ACR); Auditory evoked responses; Neonatal; Preterm infants; Auditory brainstem evoked responses (ABR); Middle latency auditory evoked responses (MLR) **31** (1992) 113

Auditory development; Brain-stem auditory evoked potentials; Newborn infants; Chronological; Gestational age **27** (1991) 145

Auditory development; Discrimination; Habituation; Language **36** (1993) 13

Auditory evoked responses; Detectability; Preterm Infants; ABR; MLR; ACR; Maturation **26** (1991) 129

Auditory evoked responses; Low birthweight; Asphyxia; Development; Developmental delay; Brainstem; Hearing; Neurology **30** (1992) 61

Auditory evoked responses; Neonatal; Preterm infants; Auditory brainstem evoked responses (ABR); Middle latency auditory evoked responses (MLR); Auditory cortical evoked responses (ACR) **31** (1992) 113

Auditory pathway; Brain stem; Human fetus; Brain growth; Serial sections **32** (1992) 93

Auditory pathway; Superior olivary nucleus; Morphometry; Human fetus; Serial sections **40** (1994) 13

Auditory; Premature fetus; Sound stimulation; Fetal heart rate **33** (1993) 207

Autoimmune thromhocytopenic purpura; Fetonatal thrombocytopenia at birth; Previous maternal splenectomy; Platelet count **29** (1992) 143

Autonomic control; Heart rate variability; Skin blood flow; Newborn infant **33** (1993) 133

Autonomic nervous control; Heart rate variability; Skin blood flow; Newborn infant; Postprandial flush; Laser Doppler; Power spectral analysis **39** (1994) 189

Autonomic nervous system; Human fetus; Spectral analysis **38** (1994) 1

Autoregressive analysis; Component analysis; Electroencephalogram; Total power; Ultradian rhythm **32** (1992) 11

Autoregulation; Preterm infant; Blood transfusion; Doppler; Cerebral blood flow **30** (1992) 211

B

Baboon; EEG; Sleep state; Fetal breathing **38** (1994) 11

Baroreceptors; Newborn; Tilt; Arm; Calf; Blood pressure; Heart rate **26** (1991) 213

Baroreflex; ECMO; Neonate **32** (1992) 49

Barotrauma; High frequency ventilation; Low in spired humidity; Newborn; Lambs; Squamous metaplasia; Scanning electron microscopy; Light microscopy **31** (1992) 53

Bayley scales; Preterm infants; Corrected age; Developmental indexes **34** (1993) 113

Behavioral state; Electroencephalogram (EEG); Electrooculogram (EOG); Electrocardiogram (ECG); Heart period variability; Fetal baboon **39** (1994) 159

Behavioral states; Preterm neonates; Supplemental stimulation **35** (1993) 129

Behavioral states; Human fetus; Quantitative analysis **30** (1992) 93

Behavioural assessment; Neonatal behaviour; Low- risk full-term infant; Cultural background; Neurological examination **28** (1991) 265

Behavioural assessment; Neonatal behaviour; Low- risk full-term infant; Obstetric condition; Neurological examination **28** (1991) 253

Behavioural development; Anticoagulants; Prenatal exposure; Neurological development; Cognitive development; Warfarin embryopathy **38** (1994) 97

Behavioural problems; Minor neurological dysfunction; Puberty; Learning difficulties; Gonadal hormones **34** (1993) 59

Behavioural state; Full-term neonate; General movements; EMG; Non-nutritive sucking **35** (1993) 63

Behavioural states; Fetal behaviour; Fetal heart rate; Fetal movements; Postmaturity **40** (1994) 29

Behavioural states; Human fetus; Stimulation **33** (1993) 21

Behavioural states; Respiratory reflexes; Fetus; Ultrasound; Breathing movements; IUGR **32** (1992) 177

Betamethasone; Pregnancy; Lymphocytes; Newborn; Interleukin-2; Rat **36** (1993) 1

Betamimetic drugs; Fetal distress; Reanimation **29** (1992) 27

Bilirubin encephalopatby; Bilirubin; Albumin; Brain; Hyperoxia; Hypoxanthine; Xanthine oxidase; Free radicals; Rat **30** (1992) 171

Bilirubin-albumin binding; Neonatal jaundice; Hyper-bilirubinemia **25** (1991) 37

Bilirubin; Albumin; Brain; Bilirubin encephalopathy; Hyperoxia; Hypoxanthine; Xanthine oxidase; Free radicals; Rat **30** (1992) 171

Bioactivation; Human Intrauterine Conceptal Tissue; GST; EDB; Detoxification; Covalent binding **37** (1994) 167

Bioelectrical maturation; Preterm infants; EEG; peri- and neonatal cerebral lesions **28** (1991) 37

Biological effects; Ultrasound; Electrocortical activity; Ultrasound safety; Fetal sheep **35** (1993) 121

Biparietal diameter; Pregnancy; Type-1 diabetes mellitus; Early fetal growth; Crown-rump length; Ultrasound **25** (1991) 91

Birth asphyxia; Hypoxic-ischaemic encephalopathy; Neonatal general movements; Movement quality; Neuro-imaging; Neonatal EEG **35** (1993) 91

Birth length; Maternal height; Birth weight; Ponderal index **25** (1991) 181

Birth morphology; Spastic cerebral palsy; Intra uterine growth **28** (1991) 91

Birth order; Intelligence tests; Child development; Infant feeding; Maternal age **31** (1992) 181

Birth stress; Handedness; Laterality; Twins **40** (1994) 23

Birth weight; Alpha-2-macroglobulin; Fetal growth restriction **33** (1993) 201

Birth weight; Fetal growth; Growth retardation; Gestational age; Fetal and neonatal mortality **33** (1993) 29

Birth weight; Maternal age; Maternal smoking; Sex; Twins **37** (1994) 161

Birth weight; Maternal height; Birth length; Ponderal index **25** (1991) 181

Birth weight; Postnatal; Cerebral Doppler **37** (1994) 57

Birth weight; Pregnancy; Alcohol consumption; Preterm delivery **32** (1992) 121

Birth weight; Pregnancy; Type-1 diabetes mellitus; Early growth delay; Fetal behavioral states **31** (1992) 91

Birth-weight ratio; Cerebral palsy; Placenta **40** (1994) 145

Birthweight; Intrauterine growth retardation; Small-for gestational age; Prenatal growth; Body proportionality **36** (1993) 147

Birthweight; Pregnancy; Zinc **25** (1991) 75

Birthweight; Smoking; Pregnancy; Human **37** (1994) 195

Blood flow velocity waveforms; Fetal ductus ateriosus; Rest-activity states **35** (1993) 141

Blood flow velocity; Doppler colour flow imaging; Fetal behaviour; Fetal intracerebral arteries **39** (1994) 49

Blood flow velocity; Doppler ultrasound; Fetus; Middle cerebral artery; Very low birth weight infant **26** (1991) 113

Blood pressure; Computers; Newborn **36** (1993) 27

Blood pressure; Extreme prematurity **33** (1993) 217

Blood pressure; Neonates; Circadian rhythms; Ultradian rhythms; Temperature; Heart rate **36** (1993) 117

Blood pressure; Newborn; Baroreceptors; Tilt; Arm; Calf; Heart rate **26** (1991) 213

Blood pressure; Oscillometric method; Arm; Calf; Sleep; Newborn **26** (1991) 203

Blood pressure; Patent ductus arteriosus; Chronic lung disease; Premature infant; Overview **29** (1992) 287

Blood pressure; Low birthweight **31** (1992) 209 blood pressure; Preterm; Chronic lung disease; Neonate **31** (1992) 149

Blood transfusion; Preterm infant; Doppler; Cerebral blood flow; Autoregulation **30** (1992) 211

Body composition; Small-for-gestational-age infants; Preterm infants; Growth **33** (1993) 117

Body fluid homeostasis; Neonate; Hormonal regulation; Renal function **34** (1993) 179

Body proportionality; Intrauterine growth retardation; Small-for gestational age; Birthweight; Prenatal growth **36** (1993) 147

Body size; Breast-feeding; Fat-free mass **36** (1993) 61

Body size; Spontaneous abortion; Chromosomally aberrant; Pre-pregnant weight **25** (1991) 173

Body temperature; Circadian rhythms; Human development; Preterm infants; Suprachiasmatic nucleus; Heart rate **26** (1991) 121

Body temperature; Preterm infants; Tympan temperature; Skin temperature;

Body temperature; Sudden infant death syndrome (SIDS); Asians **38** (1994) 181

Body temperature; Ultradian rhythms; Circadian rhythms; Heart rate; Premature babies; Ontogeny; Constant environment **27** (1991) 33

Body water composition; Extracellular fluid volume; Bromide space; Low birth weight infants **27** (1991) 19

Bone density; Nitrogen balance; Energy balance; Fortified human milk; Very low birth weight infant **39** (1994) 27

Bradycardia; Preterm infant; Cerebral blood flow; Brain oxygenation **34** (1993) 119

Bradycardia; Preterm infant; Hypoxaemia; Periodic breathing **26** (1991) 1

Brain abnormalities; Cranial computed tomography; Infantile spasms; Paediatric seizure disorder **26** (1991) 75

Brain damage; Finger movements; Pre-term infants **36** (1993) 89

Brain growth; Auditory pathway; Brain stem; Human fetus; Serial sections **32** (1992) 93

Brain lesions; Systemic disease; General movements; Quality **34** (1993) 39

Brain maturation; Auditory brain stem responses; Infants of diabetic mothers (IDMs) **30** (1992) 221

Brain oxygenation; Preterm infant; Cerebral blood flow; Bradycardia **34** (1993) 119

Brain segment; Anencephalus; Fetal heart rate; Neural control; Pulsed-Doppler ultrasound cardiotocography; Probability distribution matrix **36** (1993) 101

Brain stem; Auditory pathway; Human fetus; Brain growth; Serial sections **32** (1992) 93

Brain-stem auditory evoked potentials; Newborn infants; Auditory development; Chronological; Gestational age **27** (1991) 145

Brain; Iodine deficiency; Memory; Thyroxine; Fetus **25** (1991) 43

Brain; Bilirubin; Albumin; Bilirubin encephalopathy; Hyperoxia; Hypoxanthine; Xanthine oxidase; Free radicals; Rat **30** (1992) 171

Brainstem; Sudden infant death syndrome; Dendrites; Development; Respiration **29** (1992) 171

Brainstem; Low birthweight; Asphyxia; Development; Developmental delay; Auditory evoked responses; Hearing; Neurology **30** (1992) 61

Braxton Hicks' contractions; Doppler; Fetus; Ultrasound; Cerebral blood flow **30** (1992) 33

Breast milk; Infant newborn; Formula milk; Cholecystokinin **35** (1993) 31

Breast milk; Thyroid hormone; Epidermal growth factor **29** (1992) 329

Breast-feeding; Body size; Fat-free mass **36** (1993) 61

Breastfeeding guidance; Maternity ward; Rooming-in; Mexico **31** (1992) 25

Breathing activity; Fetal baboon (Papio sp.), development; Gestational age; Tracheal fluid pressure **32** (1992) 31

Breathing movements; Respiratory reflexes; Behavioural states; Fetus; Ultrasound; IUGR **32** (1992) 177

Breech delivery; Non-vertex delivery; Internal podalic version; Elective section; Intelligence quotient (IQ) **39** (1994) 1

Breech position; Movement restriction; Motor behaviour; Ultrasound; Development; Posture **32** (1992) 161

Bromide space; Extracellular fluid volume; Body water composition; Low birth weight infants **27** (1991) 19

Bromide space; Premature infant; Extracellular volume; Colloids **27** (1991) 1

Broncho-pulmonary dysplasia; High frequency ventilation; Conventional mechanical ventilation; Preterm infants; Intraventricular hemorrhage; Pulmonary air leaks **29** (1992) 293

Broncho-pulmonary dysplasia; Respiratory distress syndrome; Surfactant prophylaxis **29** (1992) 275

Bronchopulmonary dysplasia; Chest radiograph; Preterm **26** (1991) 37

Bronchopulmonary dysplasia; High frequency oscillatory ventilation; Conventional mechanical ventilation; Preterm newborn infant; Pulmonary air leak; Intraventricular hemorrhage; Periventricular leukomalacia **32** (1992) 1

Bronchopulmonary dysplasia; Low birth weight infant; Growth; General health; Cardiopulmonary sequelae **30** (1992) 109

C

C-reactive protein; Fetus; Infection **32** (1992) 81

CO_2; Ventilatory response; SIDS; Apnea **35** (1993) 183

CT scan; Congenital lung lesion; Hyperechogenic

lung lesion; Cystic lung lesion; Antenatal diagnosis; Ultrasound **35** (1993) 55

Caesarean section; Prolonged labour; Amniotomy **29** (1992) 309

Calf; Blood pressure; Oscillometric method; Arm; sleep; Newborn **26** (1991) 203

Calf; Newborn; Baroreceptors; Tilt; Arm; Blood pressure; Heart rate **26** (1991) 213

Calibration techniques; Open circuit calorimetry, Oxygen consumption; Metabolic rate; Carbon dioxide elimination **26** (1991) 167

Carbon dioxide elimination; Open circuit calorimetry; Calibration techniques; Oxygen consumption; Metabolic rate **26** (1991) 167

Carboxyhaemoglobin; Jaundice; Hyperbilirubinaemia; Newborn infant; Ceruloplasmin **38** (1994) 91

Cardiac output; Cerebral blood flow; Newborn infants; Preterm; Small-for-gestational age **37** (1994) 187

Cardiopulmonary sequelae; Low birth weight infant; Bronchopulmonary dysplasia; Growth; General health **30** (1992) 109

Cardiorespiratory; Heart rate variability; Respiratory sinus arrhythmia; Neonate; Spectral analysis **31** (1992) 217

Cardiotocography; Vibroacoustic stimulation; Fetal monitoring; Catecholamines **25** (1991) 11

Catecholamines; Functional residual capacity; Newborns, cesarean section; Vaginal delivery **27** (1991) 103

Catecholamines; Vibroacoustic stimulation; Fetal monitoring; Cardiotocography **25** (1991) 11

Cellular development; Human thalamus; Golgi impregnation, morphometric analysis **27** (1991) 119

Cellular morphology; Human development; Telencephalic wall; Golgi impregnation **32** (1992) 131

Cerebellar vermis; Appropriate-for-gestational-age; Small-for-gestational-age; Ultrasonography **33** (1993) 9

Cerebellum; Compensation; Lesions; Remodelling; Clinical relevance **34** (1993) 79

Cerebral Doppler; Postnatal; Birth weight **37** (1994) 57

Cerebral Doppler; Pre term; Neonatal **36** (1993) 205

Cerebral blood flow fluctuation; Respiratory distress syndrome; Mechanical ventilation; Ductus arteriosus; Periventricular haemorrhage **37** (1994) 179

Cerebral blood flow; Cardiac output; Newborn infants; Preterm; Small-for-gestational age **37** (1994) 187

Cerebral blood flow; Positive end expiratory pressure; Respiratory distress syndrome; Patent ductus arteriosus **40** (1994) 157

Cerebral blood flow; Preterm infant; Bradycardia; Brain oxygenation **34** (1993) 119

Cerebral blood flow; Spalnchnic circulation; Renal arteries; Doppler ultrasound **35** (1993) 25

Cerebral blood flow; Splanchnic circulation; Renal artery; Doppler ultrasound **34** (1993) 227

Cerebral blood flow; Doppler; Fetus; Braxton Hicks' contractions; Ultrasound **30** (1992) 33

Cerebral blood flow; Fluctuation; Preterm newborn **30** (1992) 41

Cerebral blood flow; Preterm infant; Blood transfusion; Doppler; Autoregulation **30** (1992) 211

Cerebral blood volume; Near infrared spectroscopy; Negative pressure ventilation; Jugular venous occlusion **37** (1994) 67

Cerebral cortex; Development; Perinatology; Rat; Human **26** (1991) 61

Cerebral oxygenation; Near infra-red spectroscopy; Neonatal monitoring; Fetal monitoring **29** (1992) 269

Cerebral palsy; Abruptio placentae; Low birthweight; Neurodevelopmental disability **35** (1993) 45

Cerebral palsy; Birth-weight ratio; Placenta **40** (1994) 145

Cerebral palsy; Optimality; Newborn; Risk factor; Screening **34** (1993) 133

Cerebral palsy; Prevalence; Low birth weight infants; Antenatal causes; Postnatal causes **36** (1993) 81

Cerebral pathology; Pre-term; Doppler **36** (1993) 213

Cerebrovascular circulation; Small for gestational age; Velocimetry; Intrauterine growth retardation **31** (1992) 171

Ceruloplasmin; Jaundice; Hyperbilirubinaemia; Newborn infant; Carboxyhaemoglobin **38** (1994) 91

Cesarean section; Functional residual capacity; Newborns, vaginal delivery; Catecholamines **27** (1991) 103

Cesarean section; Umbilical catecholamines; Neurological function; Full-term infants; Vaginal delivery **26** (1991) 51

Chemoreceptors; Infant; Newborn; Narcotics; Cocaine **27** (1991) 175
Chest radiograph; Bronchopulmonary dysplasia, Preterm **26** (1991) 37
Child development; Circadian rhythm; Infant cortisol; Mother cortisol; Sleep-wake; Feeding **25** (1991) 197
Child development; Intelligence tests; Infant feeding; Birth order; Maternal age **31** (1992) 181
Child; Anthropometry; Growth standards; Deprivation **31** (1992) 157
Children; Small-for-gestational-age; Visual acuity; Visual fields; Infants **40** (1994) 59
Cholecystokinin; Infant newborn; Breast milk; Formula milk **35** (1993) 31
Chorioamnionitis; Complement; Cytokine; Surfactant; Wilson-Mikity syndrome **29** (1992) 125
Chorioamnionitis; Fetal membranes, premature rupture; Infant, newborn; Infection; Placenta **40** (1994) 51
Chorionic villi; In situ hybridization; Amniocytes; Probes **33** (1993) 101
Chorionic villus cells; Chromosome fragility; Chromosome lesions; Embryonic tissue **26** (1991) 93
Chromosomally aberrant; Body size; Spontaneous abortion; Pre-pregnant weight **25** (1991) 173
Chromosome fragility; Chromosome lesions; Embryonic tissue; Chorionic villus cells **26** (1991) 93
Chromosome lesions; Chromosome fragility; embryonic tissue; Chorionic villus cells **26** (1991) 93
Chronic lung disease; Dexamethasone; Lung function; Diuresis **32** (1992) 87
Chronic lung disease; Patent ductus arteriosus; Premature infant; Blood pressure; Overview **29** (1992) 287
Chronic lung disease; Prematurity; Oxygen **26** (1991) 29
Chronic lung disease; Preterm infants; Mechanical ventilation **26** (1991) 177
Chronic lung disease; Preterm; Blood pressure; Neonate **31** (1992) 149
Chronological; Brain-stem auditory evoked potentials; Newborn infants; Auditory development; Gestational age **27** (1991) 145
Chymotrypsin; Necrotising enterocolitis; Pancreatic exocrine function **35** (1993) 145
Circadian rhythm; Infant cortisol; Mother cortisol; Sleep-wake; Feeding; Child development **25** (1991) 197
Circadian rhythms; Human development; Preterm infants; Suprachiasmatic nucleus; Body temperature; Heart rate **26** (1991) 121
Circadian rhythms; Neonates; Ultradian rhythms; Temperature; Blood pressure; Heart rate **36** (1993) 117
Circadian rhythms; Ultradian rhythms; Body temperature; Heart rate; Premature babies; Ontogeny; Constant environment **27** (1991) 33
Clinical features; Patent ductus arteriosus; Preterm infant; Incidence; Pathogenesis; Pathophysiology; Diagnosis; Prevention; Management and therapy **35** (1993) 1
Clinical management; HIV; Pregnancy **29** (1992) 231 clinical trial; Multicentre perinatal trial; Clinical trial network; Perinatal interventions **29** (1992) 313
Clinical relevance; Compensation; Cerebellum; Lesions; Remodelling **34** (1993) 79
Clinical state; VLBW infants; Plasma ACTH and cortisol; Postnatal dexamethasone **33** (1993) 191
Clinical trial network; Multicentre perinatal trial; Clinical trial; Perinatal interventions **29** (1992) 313
Clumsiness; MBD (minimal brain dysfunction); ADHD (attention deficit hyperactivity disorder); Neurobehavioural disorders; Pre- and perinatal risk factors; Attention; Motor control **34** (1993) 169
Co-contraction; General movements; Early infancy; EMO; reciprocal activity **28** (1991) 231
Co-sleeping; Arousals; Infant sleep; SIDS risk factors; Evolution; Mother-infant pairs **38** (1994) 187
Co-sleeping; Sudden infant death syndrome (SIDS); Ethnicity; Anthropology; Sensory environment **38** (1994) 203
Cocaine; Infant; Newborn; Narcotics; Chemoreceptors **27** (1991) 175
Cocaine; Developmental injury; Prenatal cocaine exposure; In utero cocaine exposure **31** (1992) 1
Cognitive development; Anticoagulants; Prenatal exposure; Neurological development; Behavioural development; Warfarin embryopathy **38** (1994) 97
Collaborative research studies; Randomized clinical trials; Health research needs; Research methodology; Latin America **29** (1992) 323
Collaborative study; Japan; Neonatal intensive care **29** (1992) 317

Colloids; Premature infant; Extracellular volume; Bromide space **27** (1991) 1

Color Doppler; Ductus venosus; Fetal circulation; Fetal growth retardation **39** (1994) 15

Compensation; Cerebellum; Lesions; Remodelling; Clinical relevance **34** (1993) 79

Complement; Chorioamnionitis; Cytokine; Surfactant; Wilson-Mikity syndrome **29** (1992) 125

Compliance; Hering Breuer reflex; Patient-triggered ventilation **37** (1994) 9

Compliance; Hering Breuer reflex; Premature birth; Lung function; Tidal volume **28** (1991) 111

Component analysis; Autoregressive analysis; Electroencephalogram; Total power; Ultradian rhythm **32** (1992) 11

Compromised fetus; Urine production; Human fetus; Real-time ultrasound; Gestational age **40** (1994) 1

Computer CTG; Intra-uterine growth retardation; Fetal heart rate monitoring; Fetal movements; Flow velocity wave form; Assessment of fetal well-being **31** (1992) 195

Computer analysis; Fetal heart rate; Rest-activity cycles; Fetal behavioural state concept; interpretation of fetal heart rate patterns **28** (1991) 27

Computer; Ultrasound; Imaging; Perinatology **29** (1992) 199

Computers; Blood pressure; Newborn **36** (1993) 27

Condoms; Heterosexual promiscuity; MIV; Infected blood transfusion; Mother-to-infant transmission; Training of health personnel **29** (1992) 225

Congenital abnormality; Intant mortality; Ethnicity; Sudden infant death syndrome (SIDS) **38** (1994) 159

Congenital adrenal hyperplasia (CAH); Prenatal treatment; Neonatal screening; Genetics; Review **35** (1993) 81

Congenital anomaly; Anetpartum fetal death; Exposure to hazards; Paternal smoking; Risk factor; Threatened abortion **28** (1991) 193

Congenital diaphragmatic hernia; Lung hypoplasia; Fetus; Ultrasound; Extracorporeal membrane oxygenation **29** (1992) 375

Congenital lung lesion; Hyperechogenic lung lesion; Cystic lung lesion; Antenatal diagnosis; Ultrasound; CT scan **35** (1993) 55

Connective tissue; Human development; Fetuses; Pelvis; Adipose tissue **28** (1991) 79

Constant environment; Ultradian rhythms; Circadian rhythms; Body temperature; Heart rate; Premature babies; Ontogeny **27** (1991) 33

Control of breathing; Sleep state; Newborn infant; Respiratory pattern **32** (1992) 197

Conventional mechanical ventilation; High frequency oscillatory ventilation; Preterm newborn infant; Pulmonary air leak; Bronchopulmonary dysplasia; Intraventricular hemorrhage; Periventricular leukomalacia **32** (1992) 1

Conventional mechanical ventilation; High frequency ventilation; Preterm infants; Bronchopulmonary dysplasia; Intraventricular hemorrhage; Pulmonary air leaks **29** (1992) 293

Copper; Vitamin A; Vitamin E; Magnesium; Zinc; Cord blood; Fetal development **39** (1994) 177

Cord blood; Vitamin A; Vitamin E; Copper; Magnesium; Zinc; Fetal development **39** (1994) 177

Cordocentesis; Fetal biochemistry; Growth retardation **29** (1992) 91

Cordocentesis; Fetal blood sampling; Fetal assessment **29** (1992) 155

Cordocentesis; Surfactants; Erythropoietin; Hypoxia; Free radicals; Non-surgical sterilization; Developing countries **29** (1992) 21

Corrected age; Preterm infants; Developmental indexes; Bayley scales **34** (1993) 113

Corticosteroids; Respiratory distress syndrome (RDS); Fetal lung; Surfactant; Lung permeability **29** (1992) 283

Corticosteroids; Respiratory distress syndrome; Lung maturation; Pulmonary edema **29** (1992) 57

Covalent binding; Human Intrauterine Conceptal Tissue; GST; EDB; Detoxification; Bioactivation **37** (1994) 167

Cranial computed tomography; Brain abnormalities; Infantile spasms; Paediatric seizure disorder **26** (1991) 75

Cranial ultrasound; Periventricular-intraventricular hemorrhage; Reliability; Very-low-birthweight **27** (1991) 9

Cross-over design; Sodium; Hand and pump expression of breast milk **38** (1994) 131

Crown-rump length; Fetal movements; Pregnancy; Type-1 diabetes mellitus **25** (1991) 107

Crown-rump length; Pregnancy; Type-1 diabetes mellitus; Early fetal growth; Bipanetal diameter; Ultrasound **25** (1991) 91

Cultural background; Neonatal behaviour; Low-

risk full-term infant; Neurological examination; Behavioural assessment **28** (1991) 265

Cyclic guanosine monophosphate; Atrial natriuretic peptide; Sodium excretion; Preterm infant; Newborn **28** (1991) 145

Cyclic-GMP; Atrial natriuretic factor (ANF); Urine volume; Endothelin **29** (1992) 161

Cystic lung lesion; Congenital lung lesion; Hyperechogenic lung lesion; Antenatal diagnosis; Ultrasound; CT scan **35** (1993) 55

Cytokine; Chorioamnionitis; Complement; Surfactant; Wilson-Mikity syndrome **29** (1992) 125

D

DNA analysis; Duchenne muscular dystrophy (DMD); Heomphilia A; Prenatal diagnosis **29** (1992) 149

Data analysis; Heart rate variability; Spectral analysis; Sleep; Newborn infant; Premature 169

Dated embryos; Heart rate; Transvaginal sonography; Embryonic pathology **37** (1994) 107

Decision making; Medical ethics; Neonatal intensive care units; Neonates with poor prognosis **29** (1992) 403

Dendrites; Sudden infant death syndrome; Development; Respiration; Brainstem **29** (1992) 171

Dendritic bundles; Development; Locomotion; Kinematic analysis; Muscle activity; Rat **34** (1993) 89

Dentritic branching; Growth; Development of motor pyramids; Environmental deterioration; Undernutrition; Rat **33** (1993) 145

Deprivation; Anthropometry; Child; Growth standards **31** (1992) 157

Detectability; Auditory evoked responses; Preterm infants; ABR; MLR; ACR; Maturation **26** (1991) 129

Detoxification; Human Intrauterine Conceptal Tissue; GST; EDB; Bioactivation; Covalent binding **37** (1994) 167

Developing countries; Surfactants; Erythropoietin; Cordocentesis; Hypoxia; Free radicals; Non-surgical sterilization **29** (1992) 21

Developing countries; Training program; Japan **29** (1992) 207

Development of motor pyramids; Growth; Dentritic branching; Environmental deterioration; Undernutrition; Rat **33** (1993) 145

Development; Breech position; Movement restriction; Motor behaviour; Ultrasound; Posture **32** (1992) 161

Development; Cerebral cortex; Perinatology; Rat; Human **26** (1991) 61

Development; Dorsal root ganglion; Neuron-specific enolase; HNK-1; Immunohistochemistry **38** (1994) 81

Development; Fetal baboon (Papio sp.); Breathing activity; Gestational age; Tracheal fluid presure **32** (1992) 31

Development; Growth retardation; Visual evoked potential **27** (1991) 79

Development; Infants; Motor performance; Assessment; Follow-up **40** (1994) 127

Development; Intrauterine growth retardation, trachea; Lung; Lung liquid surfactant; Fetal sheep **26** (1991) 13

Development; Locomotion; Kinematic analysis; Dendritic bundles; Muscle activity; Rat **34** (1993) 89

Development; Magnetic resonance imaging (MRI); Preterm infant; Fullterm infant; Myelination **34** (1993) 155

Development; Neural network; Motor control; Arm movements; Model **34** (1993) 101

Development; Otitis media **26** (1991) 101

Development; Reaching; Down's syndrome; Kinematic analysis **36** (1993) 157

Development; SIDS; Sudden infant death syndrome; Diaphragm; Muscle; Fiber types **37** (1994) 1

Development; Sudden infant death syndrome; Dendrites; Respiration; Brainstem **29** (1992) 171

Development; Visual acuity; Neonates; Preterms; Fullterms; SGA; AGA; low birth weight; Low-risk **28** (1991) 155

Development; Low birthweight; Asphyxia; Developmental delay; Brainstem; Auditory evoked responses; Hearing; Neurology **30** (1992) 61

Development; Stomach; Parietal cells; G-cells; Fetus **31** (1992) 163

Developmental delay; Low birthweight; Asphyxia; Development; Brainstem; Auditory evoked responses; Hearing; Neurology **30** (1992) 61

Developmental indexes; Preterm infants; Corrected age; Bayley scales **34** (1993) 113

Developmental injury; Cocaine; Prenatal cocaine exposure; In utero cocaine exposure **31** (1992) 1

Developmental neurology; Variability; Infancy; Toddlers **34** (1993) 1

Developmental outcome; Intrauterine growth retardation; Small for gestational age; Postnatal growth **39** (1994) 127

Developmental postmortem; Abnormal fetal behaviour; Fanconi anaemia; Spongiform degeneration of white matter **36** (1993) 137

Developmental psychopathology; Symptomatic expression of structural lesions; Learning disabilities and behavioural problems; Vulnerability for schizophrenia **34** (1993) 163

Developmental stages; Hair follicles; Gestation age **26** (1991) 159

Dexamethasone; Chronic lung disease; Lung function; Diuresis **32** (1992) 87

Diagnosis; Patent ductus arteriosus; Preterm infant; Incidence; Pathogenesis; Pathophysiology; Clinical features; Prevention; Management and therapy **35** (1993) 1

Diaphragm; SIDS; Sudden infant death syndrome; Muscle; Development; Fiber types **37** (1994) 1

Digestible protein; Premature breast milk; Protein composition; Non-protein nitrogen; True protein **29** (1992) 351

Digitalization; Non-immunologic hydrops fetalis; Albumin injection **29** (1992) 241

Disclosure; Informed consent; Mechanical ventilation **31** (1992) 67

Discrimination; Auditory development; Habituation; Language **36** (1993) 13

Diuresis; Chronic lung disease; Dexamethasone; Lung function **32** (1992) 87

Diurnal Rhythmicity; Newborn sleep; Ultradian Cycles **38** (1994) 67

Doppler colour flow imaging; Fetal behaviour; Fetal intracerebral arteries; Blood flow velocity **39** (1994) 49

Doppler measurements; Fetus; Heart rate control **34** (1993) 217

Doppler ultrasonography; Fetal compromise; Fetal heart rate trace; Umbilical artery; Internal carotid artery **32** (1992) 151

Doppler ultrasonography; Intrauterine growth retardation; Fetal cardiac outflow tract; Neonatal outcome **26** (1991) 185

Doppler ultrasound; Blood flow velocity; Fetus, middle cerebral artery; Very low birth weight infant **26** (1991) 113

Doppler ultrasound; Cerebral blood flow; Spalnchnic circulation; Renal arteries **35** (1993) 25

Doppler ultrasound; Cerebral blood flow; Splanchnic circulation; Renal artery **34** (1993) 227

Doppler ultrasound; Fetal behavioural states; Inferior vena cava; Reproducibility; Flow velocities **38** (1994) 111

Doppler ultrasound; Fetal circulation; Glucose; Fetal heart rate **30** (1992) 1

Doppler ultrasound; Internal carotid; Umbilical artery; Small for gestational age **30** (1992) 249

Doppler velocimetry; Perinatal mortality; Morbidity **33** (1993) 61

Doppler velocimetry; Uterine arteries; Fetal arteries; High-risk pregnancies **25** (1991) 187

Doppler waveform analysis (DWA); Acute maternal hypoxemia; Fetal heart rate (FHR); Fetal ovine model **25** (1991) 1

Doppler; Fetal hypoxia; Umbilical artery; Placental blood flow **29** (1992) 259

Doppler; Fetus; Fetal behaviour; Fetal flow velocity waveforms **37** (1994) 139

Doppler; Fetus; Renal blood flow; Fetal behaviour **33** (1993) 183

Doppler; Pre-term; Cerebral pathology **36** (1993) 213

Doppler; Fetus; Braxton Hicks' contractions; Ultrasound; Cerebral blood flow **30** (1992) 33

Doppler; Preterm infant; Blood transfusion; Cerebral blood flow; Autoregulation **30** (1992) 211

Dorsal root ganglion; Neuron-specific enolase; HNK-1; Immunohistochemistry; Development **38** (1994) 81

Down's syndrome; Reaching; Development; Kinematic analysis **36** (1993) 157

Down's syndrome; Amniotic fluid; SP1 **37** (1994) 175

Down's syndrome; Placental alkaline phosphatase **37** (1994) 39

Duchenne muscular dystrophy (DMD); Heomphilia A; Prenatal diagnosis; DNA analysis **29** (1992) 149

Ductus arteriosus; Placenta; PGE_2; Parturition; Fetal breathing; Fetal adrenal thermogenesis **29** (1992) 63

Ductus arteriosus; Cerebral blood flow fluctuation; Respiratory distress syndrome; Mechanical ventilation; Periventricular haemorrhage **37** (1994) 179

Ductus arteriosus; Echocardiography; Neonate; Left ventricular function **39** (1994) 201

Ductus arteriosus; Foramen ovale; Perinatal circulation **29** (1992) 167

Ductus venosus; Color Doppler; Fetal circulation; Fetal growth retardation **39** (1994) 15

E

ECMO; Baroreflex; Neonate **32** (1992) 49

EDB; Human Intrauterine Conceptal Tissue; GST; Detoxification; Bioactivation; Covalent binding **37** (1994) 167

EEG; Preterm infants; Bioelectrical maturation; Peri- and neonatal cerebral lesions **28** (1991) 37

EEG; Sleep state; Fetal breathing; Baboon **38** (1994) 11

EMG; General movements; Early infancy; Co-contraction; Reciprocal activity **28** (1991) 231

EMG; Full-term neonate; Behavioural state; General movements; Non-nutritive sucking **35** (1993) 63

EMG; Spontaneous general movements; Preterm infants; Movement quality **34** (1993) 29

Early care; Prenatal; Perinatal; Prevention; Prematurity **29** (1992) 107

Early detection; Quality of motor patterns; Neurological development; Transformation of neural functions; Toddlers **34** (1993) 47

Early fetal growth; Pregnancy; Type-1 diabetes mellitus; Crown rump length; Biparietal diameter; Ultrasound **25** (1991) 91

Early growth delay; Pregnancy; Type-1 diabetes mellitus; Fetal behavioral states; Birth weight **31** (1992) 91

Early infancy; General movements; EMG; co-contraction; Reciprocal activity **28** (1991) 231

Early infancy; General movements; Neurological development; Video analysis **28** (1991) 201

Early pregnancy factor (EPF); Pregnancy serum, rosette inhibition test; Habitual abortion; HCG; Progesterone; Estradiol **26** (1991) 83

Early pregnancy; Transvaginal color Doppler; Uteroplacental circulation; Intrauterine fibroids **29** (1992) 385

Echocardiography; Neonate; Ductus arteriosus; Left ventricular function **39** (1994) 201

Eclampsia; Randomized controlled trials; Perinatal; Technology assessment; Immaturity; Pre-eclampsia **29** (1992) 305

Ectopic pregnancy; Local methotrexate injection **39** (1994) 101

Education; Low birth weight; Follow-up studies **36** (1993) 191

Education; Ultrasonography; Obstetrics and gynaecology **29** (1992) 117

Elective section; Non-vertex delivery; Breech delivery; Internal podalic version; Intelligence quotient (IQ) **39** (1994) 1

Electrocardiogram (ECG); Behavioral state; Electroencephalogram (EEG); Electrooculogram (EOG); Heart period variability; Fetal baboon **39** (1994) 159

Electrocortical activity; Ultrasound; Biological effects; Ultrasound safety; Fetal sheep **35** (1993) 121

Electroencephalogram (EEG); Behavioral state; Electrooculogram (EOG); Electrocardiogram (ECG); Heart period variability; Fetal baboon **39** (1994) 159

Electroencephalogram; Auto regressive analysis; Component analysis; Total power; Ultradian rhythm **32** (1992) 11

Electrooculogram (EOG); Behavioral state; Electroencephalogram (EEG); Electrocardiogram (ECG); Heart period variability; Fetal baboon **39** (1994) 159

Embryology; Mandible; Joint **39** (1994) 57

Embryology; Transvaginal ultrasound; First trimester of pregnancy **29** (1992) 381

Embryonic pathology; Heart rate; Dated embryos; Transvaginal sonography **37** (1994) 107

Embryonic tissue; Chromosome fragility; Chromosome lesions; Chorionic villus cells **26** (1991) 93

Endometrium; Amniotic fluid; Placental protein 14 **36** (1993) 113

Endothelin-1; Serotonin; Umbilical artery; Umbilical vein; Perfusion **27** (1991) 25

Endothelin; Atrial natriuretic factor (ANF); Urine volume; Cyclic-GMP **29** (1992) 161

Endotracheal suction; Preterm infant; Respiratory distress syndrome **25** (1991) 87

Energy balance; Nitrogen balance; Bone density; Fortified human milk; Very low birth weight infant **39** (1994) 27

Enthyroid neonates; Thyrotropin; Parturition **28** (1991) 19

Entrainment; Preterm Infant; Mechanical ventilation; Pulmonary reflexes **36** (1993) 175

Environmental deterioration; Growth; Dentritic branching; Development of motor pyramids; Undernutrition; Rat **33** (1993) 145

Epidemiology; Neonatal; Respiratory disease **37** (1994) 73

Epidemiology; Antepartum stillbirth; Unexplained stillbirth **30** (1992) 147

Epidermal growth factor; Breast milk; Thyroid hormone **29** (1992) 329

Erythrocytes; Newborn; Long chain polyunsaturated fatty acids; Plasma cholesterol esters; Human milk **32** (1992) 207

Erythropoietin; Anaemia of prematurity; Jehovah's Witness **28** (1991) 279

Erythropoietin; Surfactants; Cordocentesis; Hypoxia; Free radicals; Non-surgical terilization; Developing countries **29** (1992) 21

Esophageal atresia; T-E fistula; Neonatal surgical mortality; Neonatal surgical emergencies **29** (1992) 369

Essential fatty acid; Infant; Formula; Plasma; Phospholipid **31** (1992) 41

Essential fatty acids; Phospholipids; Human fetal tissue; First trimester of pregnancy; Mother; Plasma; Red blood cells **31** (1992) 97

Estradiol; Early pregnancy factor (EPF); pregnancy serum; Rosette inhibition test; Habitual abortion; HCG; Progesterone **26** (1991) 83

Ethnic; Infant mortality; Sudden infant death syndrome (SIDS); Smoking **38** (1994) 143

Ethnicity; Intant mortality; Congenital abnormality; Sudden infant death syndrome (SIDS) **38** (1994) 159

Ethnicity; Sudden infant death syndrome (SIDS); Anthropology; Co-sleeping; Sensory environment **38** (1994) 203

Event related potentials; Minor neurological dysfunction; Information processing; Attention; P300 **34** (1993) 69

Evolution; Arousals; Infant sleep; SIDS risk factors; Co-sleeping; Mother-infant pairs **38** (1994) 187

Experience; Psychobiology; Fetal behavior; Sensation; Ontogeny; Phylogeny; Rats **35** (1993) 153

Exposure to hazards; Antepartum fetal death; Congenital anomaly; Paternal smoking; Risk factor; Threatened abortion **28** (1991) 193

Extracellular fluid volume; Body water composition; Bromide space; Low birth weight infants **27** (1991) 19

Extracellular volume; Premature infant; Bromide space; Colloids **27** (1991) 1

Extracorporeal membrane oxygenation (ECMO); Ventilation; High-frequency ventilation; Respiratory failure **29** (1992) 299

Extracorporeal membrane oxygenation; Congenital diaphragmatic hernia; Lung hypoplasia; Fetus; Ultrasound **29** (1992) 375

Extraembryonic coelom; IGF-1; IGFBP-1; Amniotic fluid; First trimester **28** (1991) 105

Extraembryonic coelom; Prolactin; Pregnancy; Amniotic fluid **35** (1993) 167

Extreme prematurity; Blood pressure **33** (1993) 217

Extremely low birtbweight infants; Growth and development; Morbidity **30** (1992) 229

Extremely low birth weight infants; Growth and development **40** (1994) 115

F

FHR analysis; Human fetal age-related changes; Probability distribution matrix; Pulsed Doppler ultrasound cardiotocography **39** (1994) 37

Factors; ROP; Risk; Oxygen; Light **30** (1992) 121

Fanconi anaemia; Abnormal fetal behaviour; Developmental postmortem; Spongiform degeneration of white matter **36** (1993) 137

Fat balance; Low birth weight formula; Medium chain triglycerides; Stools; Weight gain **30** (1992) 21

Fat-free mass; Breast-feeding; Body size **36** (1993) 61

Feeding; Circadian rhythm; Infant cortisol; Mother cortisol; Sleep-wake; Child development **25** (1991) 197

Fetal abnormality; Antenatal diagnosis; Fetal surgery; Ultrasonic examination **29** (1992) 357

Fetal adrenal thermogenesis; Placenta; PGE_2; Parturition; Fetal breathing; Ductus arteriosus **29** (1992) 63

Fetal amino acids; Fetal metabolism; Placental amino acids; Amino acid transport; Placental metabolism **29** (1992) 99

Fetal and neonatal mortality; Fetal growth; Growth retardation; Gestational age; Birth weight **33** (1993) 29

Fetal arteries; Doppler velocimetry; Uterine arteries; High-risk pregnancies **25** (1991) 187

Fetal assessment; Fetal blood sampling; Cordocentesis **29** (1992) 155

Fetal baboon (Papio sp.); Breathing activity; Development; Gestational age; Tracheal fluid pressure **32** (1992) 31

Fetal baboon; Behavioral state; Electroencephalogram (EEG); Electrooculogram (EOG); Electrocardiogram (ECG); Heart period variability **39** (1994) 159

Fetal behavior; Psychobiology; Experience; Sensation; Ontogeny; Phylogeny; Rats **35** (1993) 153

Fetal behavioral states; Pregnancy; Type-1 diabetes mellitus; Early growth delay; Birth weight **31** (1992) 91

Fetal behaviour; Behavioural states; Fetal heart

rate; Fetal movements; Postmaturity **40** (1994) 29

Fetal behaviour; Doppler colour flow imaging; Fetal intracerebral arteries; Blood flow velocity **39** (1994) 49

Fetal behaviour; Doppler; Fetus; Renal blood flow **33** (1993) 183

Fetal behaviour; Fetus; Doppler; Fetal flow velocity waveforms **37** (1994) 139

Fetal behavioural state concept; Fetal heart rate; Computer analysis; Rest-activity cycles; Interpretation of fetal heart rate patterns **28** (1991) 27

Fetal behavioural state variables; Fetal renal artery PI; Fetal micturition **38** (1994) 27

Fetal behavioural states; Fetal heart rate pattern; Fetal breathing movements **36** (1993) 127

Fetal behavioural states; Fetal heart rate variation; Sonicaid System 8000 **34** (1993) 21

Fetal behavioural states; Inferior vena cava; Doppler ultrasound; Reproducibility; Flow velocities **38** (1994) 111

Fetal biochemistry; Cordocentesis; Growth retardation **29** (1992) 91

Fetal biometric parameters; Human fetus; Reference values; Anthropometric measurements; Perinatal autopsy **33** (1993) 45

Fetal blood sampling; Cordocentesis; Fetal assessment **29** (1992) 155

Fetal breathing movements; Fetal behavioural states; Fetal heart rate pattern **36** (1993) 127

Fetal breathing movements; Lung development; Premature rupture of the amniotic membranes; Oligohydramnios; 133

Fetal breathing movements; Pulmonary hypoplasia; Oligohydramnios **27** (1991) 53

Fetal breathing movements; Quality of fetal movements; Fetal; Tracheal atresia; VATER-syndrome; Ultrasound; Lung hypoplasia; Hering-Breuer reflex **32** (1992) 63

Fetal breathing; EEG; Sleep state; Baboon **38** (1994) 11

Fetal breathing; Placenta; PGE_2; Parturition; Fetal adrenal thermogenesis; Ductus arteriosus **29** (1992) 63

Fetal breathing; Type-1 diabetes; Pregnancy; Fetal movements **25** (1991) 117

Fetal cardiac outflow tract; Intrauterine growth retardation; Doppler ultrasonography; Neonatal outcome **26** (1991) 185

Fetal circulation; Color Doppler; Ductus venosus; Fetal growth retardation **39** (1994) 15

Fetal circulation; Neonatal circulation; Pulmonary artery; Pulmonary vein; Lung volume **34** (1993) 191

Fetal circulation; Doppler ultrasound; Glucose; Fetal heart rate **30** (1992) 1

Fetal compromise; Fetal heart rate trace; Doppler ultrasonography; Umbilical artery; Internal carotid artery **32** (1992) 151

Fetal cord blood; Preeclampsia; Fetal hemogram; Red cell distribution width; Placental insufficiency **37** (1994) 91

Fetal development; Vitamin A; Vitamin E; Copper; Magnesium; Zinc; Cord blood **39** (1994) 177

Fetal distress; Reanimation; Betamimetic drugs **29** (1992) 27

Fetal ductus ateriosus; Rest-activity states; Blood flow velocity waveforms **35** (1993) 141

Fetal flow velocity waveforms; Fetus; Doppler; Fetal behaviour **37** (1994) 139

Fetal growth restriction; Alpha-2-macroglobulin; Birth weight **33** (1993) 201

Fetal growth retardation; Color Doppler; Ductus venosus; Fetal circulation **39** (1994) 15

Fetal growth; Growth retardation; Gestational age; Birth weight; Fetal and neonatal mortality **33** (1993) 29

Fetal growth; IGF-I; IGF-binding proteins; Placenta; Fetus **29** (1992) 187

Fetal growth; Insulin; Insulin deficiency; Metabolism **29** (1992) 177

Fetal growth; Intrauterine growth retardation; Ultrasound; Anthropometry; Newborn **30** (1992) 139

Fetal heart rate (FHR); Doppler waveform analysis (DWA); Acute maternal hypoxemia; Fetal ovine model **25** (1991) 1

Fetal heart rate monitoring; Intra-uterine growth retardation; Computer CTO; Fetal movements; Flow velocity wave form; Assessment of fetal well-being **31** (1992) 195

Fetal heart rate pattern; Fetal behavioural states; Fetal breathing movements **36** (1993) 127

Fetal heart rate spectral analysis; Fetal magnetocardiogram; Fetal heart rate variability; Respiratory sinus arrhythmia **35** (1993) 15

Fetal heart rate trace; Fetal compromise; Doppler ultrasonography; Umbilical artery; Internal carotid artery **32** (1992) 151

Fetal heart rate variability; Fetal magnetocardiogram; Fetal heart rate spectral analysis; Respiratory sinus arrhythmia **35** (1993) 15

Fetal heart rate variation; Fetal behavioural states; Sonicaid System 8000 **34** (1993) 21

Fetal heart rate variation; Intrauterine growth retardation; Fetal movements; Fetal hypoxaemia; Maternal hyperoxygenation **27** (1991) 223

Fetal heart rate; Anencephalus; Brain segment; Neural control; Pulsed-Doppler ultrasound cardiotocography; Probability distribution matrix **36** (1993) 101

Fetal heart rate; Computer analysis; Rest-activity cycles; Fetal behavioural state concept; Interpretation of fetal heart rate patterns **28** (1991) 27

Fetal heart rate; Fetal behaviour; Behavioural states; Fetal movements; Postmaturity **40** (1994) 29

Fetal heart rate; Premature fetus; Auditory; Sound stimulation **33** (1993) 207

Fetal heart rate; Spectral analysis; l/f spectrum **27** (1991) 111

Fetal heart rate; Synthetic glucocorticosteroids; Preterm delivery; Fetal movements; Glucocorticoid receptor **36** (1993) 49

Fetal heart rate; Doppler ultrasound; Fetal circulation; Glucose **30** (1992) 1

Fetal hemogram; Preeclampsia; Fetal cord blood; Red cell distribution width; Placental insufficiency **37** (1994) 91

Fetal hypoxaemia; Intrauterine growth retardation; Fetal movements; Fetal heart rate variation; Maternal hyperoxygenation **27** (1991) 223

Fetal hypoxaemia; Intra-uterine growth retardation; Fetal movements; Movement quality; Premature rupture of the membranes **30** (1992) 193

Fetal hypoxia; Doppler; Umbilical artery; Placental blood flow **29** (1992) 259

Fetal intracerebral arteries; Doppler colour flow imaging; Fetal behaviour; Blood flow velocity **39** (1994) 49

Fetal lung; Respiratory distress syndrome (RDS); Surfactant; Corticosteroids; Lung permeability **29** (1992) 283

Fetal magnetocardiogram; Fetal heart rate spectral analysis; Fetal heart rate variability; Respiratory sinus arrhythmia **35** (1993) 15

Fetal membranes, premature rupture; Chorioamnionitis; Infant, newborn; Infection; Placenta **40** (1994) 51

Fetal metabolism; Ammonia production; Uteroplacental metabolism; Umbilical artery; Umbilical vein; Fetus; Human **33** (1993) 1

Fetal metabolism; Fetal amino acids; Placental amino acids; Amino acid transport; Placental metabolism **29** (1992) 99

Fetal micturition; Fetal renal artery PI; Fetal behavioural state variables **38** (1994) 27

Fetal monitoring; Near infra-red spectroscopy; Cerebral oxygenation; Neonatal monitoring **29** (1992) 269

Fetal monitoring; Vibroacoustic stimulation; Cardiotocography; Catecholamines **25** (1991) 11

Fetal movement; Type-1 diabetes; Pregnancy; Fetal breathing **25** (1991) 117

Fetal movements; Fetal behaviour; Behavioural states; Fetal heart rate; Postmaturity **40** (1994) 29

Fetal movements; Intrauterine growth retardation; Fetal heart rate variation; Fetal hypoxaemia; Maternal hyperoxygenation **27** (1991) 223

Fetal movements; Movement quality; Intrauterine growth retardation; Low birth weight; Neurological condition; 119

Fetal movements; Movement quality; Intrauterine growth retardation; Neurological condition; Oligohydramnios; Premature rupture of the amniotic membranes **34** (1993) 13

Fetal movements; Pregnancy; Type-1 diabetes mellitus; Crown-rump length **25** (1991) 107

Fetal movements; Real-time ultrasound; Second half of pregnancy **25** (1991) 19

Fetal movements; Synthetic glucocorticosteroids; Preterm delivery; Fetal heart rate; Glucocorticoid receptor **36** (1993) 49

Fetal movements; Intra-uterine growth retardation; Fetal heart rate monitoring; Computer CTG; Flow velocity wave form; Assessment of fetal well-being **31** (1992) 195

Fetal movements; Intra-uterine growth retardation; Movement quality; Premature rupture of the membranes; Fetal hypoxaemia **30** (1992) 193

Fetal orientation; Fetus; Ultrasound; Lateralization; Head position; Placental localization **39** (1994) 93

Fetal ovine model; Doppler waveform analysis (DWA); Acute maternal hypoxemia; Fetal heart rate (FHR) **25** (1991) 1 **Fetal renal artery PI**; Fetal micturition; Fetal behavioural state variables **38** (1994) 27

Fetal sheep; Intrauterine growth retardation; Development; Trachea; Lung; Lung liquid surfactant **26** (1991) 13

Fetal sheep; Ultrasound; Electrocortical activity; Biological effects; Ultrasound safety **35** (1993) 121

Fetal surgery; Antenatal diagnosis; Fetal abnormality; Ultrasonic examination **29** (1992) 357

Fetal testis; Müllerian inhibiting substance; Prenatal diagnosis; XX male **33** (1993) 91

Fetal; Quality of fetal movements; Fetal breathing movements; Tracheal atresia; VATER-syndrome; Ultrasound; Lung hypoplasia; Hering-Breuer reflex **32** (1992) 63

Fetal; Upper face; Morphology **37** (1994) 99

Feto-natal thrombocytopenia at birth; Autoimmune thrombocytopenic purpura; Previous maternal splenectomy; Platelet count **29** (1992) 143

Fetus; Ammonia production; Fetal metabolism; Uteroplacental metabolism; Umbilical artery; Umbilical vein; Human **33** (1993) 1

Fetus; Anemia; Rh-incompatibility; Transfusion **29** (1992) 237

Fetus; Antenatal; Gastrointestinal motility; Gastric emptying **33** (1993) 109

Fetus; C-reactive protein; Infection **32** (1992) 81

Fetus; Congenital diaphragmatic hernia; Lung hypoplasia; Ultrasound; Extracorporeal membrane oxygenation **29** (1992) 375

Fetus; Doppler ultrasound; Blood flow velocity, middle cerebral artery; Very low birth weight infant **26** (1991) 113

Fetus; Doppler; Fetal behaviour; Fetal flow velocity waveforms **37** (1994) 139

Fetus; Doppler; Renal blood flow; Fetal behaviour **33** (1993) 183

Fetus; Fetal growth; IGF-I; IGF-binding proteins; Placenta **29** (1992) 187

Fetus; Heart rate control; Doppler measurements **34** (1993) 217

Fetus; Iodine deficiency; Memory; Thyroxine; Brain **25** (1991) 43

Fetus; Respiratory reflexes; Behavioural states; Ultrasound; Breathing movements; IUGR **32** (1992) 177

Fetus; Sleep-wakefulness cycle;. rapid eye movements 391

Fetus; Sulphotransferase; Lung; Xenobiotics; Steroids **28** (1991) 65

Fetus; Turner syndrome; Growth **38** (1994) 121

Fetus; Ultrasound; Lateralization; Head position; Placental localization; Fetal orientation **39** (1994) 93

Fetus; Ultrasound; Lateralization; Head preference **39** (1994) 83

Fetus; Vasopressin; Human; Neonate; Skeletal muscle **28** (1991) 215

Fetus; Doppler; Braxton Hicks' contractions; Ultrasound; Cerebral blood flow **30** (1992) 33

Fetus; Stomach; Development; Parietal cells; G-cells **31** (1992) 163

Fetuses; Human development; Pelvis; Connective tissue; Adipose tissue **28** (1991) 79

Fetuses; Human development; Pelvis; Pelvic diaphragm; Levator ani muscle **37** (1994) 15

Fiber types; SIDS; Sudden infant death syndrome; Diaphragm; Muscle; Development **37** (1994) 1

Finger movements; Pre-term infants; Brain damage **36** (1993) 89

First molars; Maternal smoking; Pregnancy; Tooth size; Incisors **40** (1994) 73

First trimester of pregnancy; Transvaginal ultrasound; Embryology **29** (1992) 381

First trimester of pregnancy; Essential fatty acids; Phospholipids; Human fetal tissue; Mother; Plasma; Red blood cells **31** (1992) 97

First trimester; IGF-1; IGFBP-1; Amniotic fluid; Extraembryonic coelom **28** (1991) 105

Flow cytometry; Hepatic hematopoiesis; Singleton gestation **30** (1992) 101

Flow velocities; Fetal behavioural states; Inferior vena cava; Doppler ultrasound; Reproducibility **38** (1994) 111

Flow velocity wave form; Intra-uterine growth retardation; Fetal heart rate monitoring; Computer CTG; Fetal movements; Assessment of fetal well-being **31** (1992) 195

Fluctuation; Cerebral blood flow; Preterm newborn **30** (1992) 41

Follow-up studies; Low birth weight; Education **36** (1993) 191

Follow-up; Infants; Motor performance; Development; Assessment **40** (1994) 127

Foramen ovale; Ductus arteriosus; Perinatal circulation **29** (1992) 167

Formula feeding; Very low birth weight infant; Nutrient requirements; Human milk **29** (1992) 345

Formula milk; Infant newborn; Breast milk; Cholecystokinin **35** (1993) 31

Formula; Infant; Plasma; Phospholipid; Essential fatty acid **31** (1992) 41

Fortified human milk; Nitrogen balance; Energy balance; Bone density; Very low birth weight infant **39** (1994) 27

Free radicals; Surfactants; Erythropoietin; Cor-

docentesis; Hypoxia; Non-surgical sterilization; Developing countries **29** (1992) 21

Free radicals; Bilirubin; Albumin; Brain; Bilirubin encephalopathy; Hyperoxia; Hypoxanthine; Xanthine oxidase; Rat **30** (1992) 171

Full-term infants; Umbilical catecholamines, neurological function; Cesarean section; Vaginal delivery **26** (1991) 51

Full-term neonate; Behavioural state; General movements; EMG; Non-nutritive sucking **35** (1993) 63

Fullterm infant; Magnetic resonance imaging (MRI); Preterm infant; Myelination; Development **34** (1993) 155

Fullterm infants; Walking patterns; Preterm infants; Locomotion; Asymmetry; Videorecording **35** (1993) 193

Fullterms; Visual acuity; Development; Neonates; Preterms; SGA, AGA, low birth weight; Low-risk **28** (1991) 155

Functional residual capacity; Newborns; Cesarean section; Vaginal delivery; Catecholamines **27** (1991) 103

G

G-cells; Stomach; Development; Parietal cells; Fetus **31** (1992) 163

GST; Human Intrauterine Conceptal Tissue; EDB; Detoxification; Bioactivation; Covalent binding **37** (1994) 167

Gastric acid; Premature; Neonate **35** (1993) 215

Gastric emptying; Antenatal; Fetus; Gastrointestinal motility **33** (1993) 109

Gastrointestinal motility; Antenatal; Fetus; Gastric emptying **33** (1993) 109

General health; Low birth weight infant; Bron chopulmonary dysplasia; Growth; Cardiopul monary sequelae **30** (1992) 109

General movements; Brain lesions; Systemic disease; Quality **34** (1993) 39

General movements; Early infancy; EMG, Cocontraction; Reciprocal activity **28** (1991) 231

General movements; Early infancy; Neurological development; Video analysis **28** (1991) 201

General movements; Full-term neonate; Behavioural state; EMG; Non-nutritive sucking **35** (1993) 63

Genetics; Congenital adrenal hyperplasia (CAH); Prenatal treatment; Neonatal screening; Review **35** (1993) 81

Gestation age; Hair follicles; Developmental stages **26** (1991) 159

Gestational age; Brain-stem auditory evoked potentials; Newborn infants; Auditory development; Chronological **27** (1991) 145

Gestational age; Fetal baboon (Papio sp.); Breathing activity; Development; Tracheal fluid pressure **32** (1992) 31

Gestational age; Fetal growth; Growth retardation; Birth weight; Fetal and neonatal mortality **33** (1993) 29

Gestational age; Sulcal age; Sonography **25** (1991) 209

Gestational age; Urine production; Human fetus; Compromised fetus; Real-time ultrasound **40** (1994) 1

Gestational hypertension; Smoking; Pregnancy; Race; Parity **40** (1994) 95

Glucocorticoid receptor; Synthetic glucocorticosteroids; Preterm delivery; Fetal movements; Fetal heart rate **36** (1993) 49

Glucose; Doppler ultrasound; Fetal circulation; Fetal heart rate **30** (1992) 1

Glutathione peroxidase; Manganese; Selenium; Newborn; Pregnancy **26** (1991) 223

Glyciue cleavage enzyme; Non-ketotic hyperglycinemia; Prenatal diagnosis **29** (1992) 75

Golgi impregnation; Human development; Telencephalic wall; Cellular morphology **32** (1992) 131

Golgi impregnation; Human thalamus; Cellular development; Morphometric analysis **27** (1991) 119

Gonadal hormones; Minor neurological dysfunction; Puberty; Behavioural problems; Learning difficulties **34** (1993) 59

Growth and development; Extremely low birth weight infants **40** (1994) 115

Growth and development; Extremely low birthweight infants; Morbidity **30** (1992) 229

Growth deficit; Small for gestational age; Risk factors **38** (1994) 35

Growth retardation; Cordocentesis; Fetal biochemistry **29** (1992) 91

Growth retardation; Fetal growth; Gestational age; Birth weight; Fetal and neonatal mortality **33** (1993) 29

Growth retardation; Visual evoked potential; Development **27** (1991) 79

Growth standards; Anthropometry; Child; Deprivation **31** (1992) 157

Growth velocity; Human fetus; Ultrasound measurements; Sexual difference **27** (1991) 93

Growth; Dentritic branching; Development of motor pyramids; Environmental deterioration; Undernutrition; Rat **33** (1993) 145

Growth; Fetus; Turner syndrome **38** (1994) 121
Growth; Postnatal; Japanese infants; Very low birth weight; Appropriate for gestational age **37** (1994) 151
Growth; Small-for-gestational-age infants; Preterm infants; Body composition **33** (1993) 117
Growth; Low birth weight infant; Bronchopulmonary dysplasia; General health; Cardiopulmonary sequelae **30** (1992) 109
Growth; n-6; n-3; Long chain polyunsaturated fatty acids; Preterm infant **30** (1992) 183

H

HCG; Early pregnancy factor (EPF); Pregnancy serum; Rosette inhibition test; Habitual abortion; Progesterone; Estradiol **26** (1991) 83
HIV/AIDS; Symptomatic seropositive babies; Seropositive mothers; Zambia **29** (1992) 221
HIV; Heterosexual promiscuity; Infected blood transfusion; Mother-to-infant transmission; Training of health personnel; Condoms **29** (1992) 225
HIV; Pregnancy; Clinical management **29** (1992) 231
HNK-1; Dorsal root ganglion; Neuron-specific enolase; Immunohistochemistry; Development **38** (1994) 81
Habitual abortion; Early pregnancy factor (EPF); Pregnancy serum; Rosette inhibition test; HCG; Progesterone; Estradiol **26** (1991) 83
Habituation; Auditory development; Discrimination; Language **36** (1993) 13
Hair follicles; Developmental stages; Gestation age **26** (1991) 159
Hand and pump expression of breast milk; Sodium; Cross-over design **38** (1994) 131
Handedness; Laterality; Birth stress; Twins **40** (1994) 23
Head position; Fetus; Ultrasound; Lateralization; Placental localization; Fetal orientation **39** (1994) 93
Head preference; Fetus; Ultrasound; Lateralization **39** (1994) 83
Health research needs; Randomized clinical trials; Collaborative research studies; Research methodology; Latin America **29** (1992) 323
Health; Reproduction; World **29** (1992) 35
Hearing; Low birthweight; Asphyxia; Development; Developmental delay; Brainstem; Auditory evoked responses; Neurology **30** (1992) 61
Heart period variability; Behavioral state; Electroencephalogram (EEG); Electrooculogram (EOG); Electrocardiogram (ECG); Fetal baboon **39** (1994) 159
Heart rate control; Fetus; Doppler measurements **34** (1993) 217
Heart rate variability; Arteriovenous anastomoses; Skin blood flow; Thermo-regulation; Infant **39** (1994) 69
Heart rate variability; Long term variability; Short term variability; Respiratory sinus arrhythmia; Preterm infant; Neonatal monitoring **27** (1991) 234
Heart rate variability; Long-term variability; Short-term variability; Preterm infant; Neonatal monitoring **37** (1994) 117
Heart rate variability; Respiratory distress syndrome; Patent ductus arteriosus; Periventricular haemorrhage; Neonatal monitoring; Preterm infant **27** (1991) 207
Heart rate variability; Skin blood flow; Newborn infant; Autonomic control **33** (1993) 133
Heart rate variability; Skin blood flow; Newborn infant; Autonomic nervous control; Postprandial flush; Laser Doppler; Power spectral analysis **39** (1994) 189
Heart rate variability; Spectral analysis; Data analysis; Sleep; Newborn infant; Premature; 169
Heart rate variability; Respiratory sinus arrhythmia; Cardiorespiratory; Neonate; Spectral analysis **31** (1992) 217
Heart rate; Circadian rhythms; Human development; Preterm infants; Suprachiasmatic nucleus; Body temperature **26** (1991) 121
Heart rate; Dated embryos; Transvaginal sonography; Embryonic pathology **37** (1994) 107
Heart rate; Human fetus; Self-regulation **36** (1993) 69
Heart rate; Neonates; Circadian rhythms; Ultradian rhythms; Temperature; Blood pressure **36** (1993) 117
Heart rate; Newborn; Baroreceptors; Tilt; Arm; Calf; Blood pressure **26** (1991) 213
Heart rate; Ultradian rhythms; Circadian rhythms; Body temperature; Premature babies; Ontogeny; Constant environment **27** (1991) 33
Heart rate; Umbilical artery; Acidaemia; Neonate; Respiratory rate **32** (1992) 103
Heart rate; Ventricular dimensions; Atrial systole **40** (1994) 109
Heart-rate variability; Premaiurity; Heart-rate; Sleep states **32** (1992) 183

Heart-rate; Prematurity; Heart-rate variability; Sleep states **32** (1992) 183

Heomphilia A; Duchenne muscular dystrophy-(DMD); Prenatal diagnosis; DNA analysis **29** (1992) 149

Human milk fortitler; Very low birth weight infants; Metabolic bone disease of prematurity **29** (1992) 339

Human milk; Newborn; Long chain polyunsaturated fatty acids; Plasma cholesterol esters; Erythrocytes **32** (1992) 207

Human milk; Very low birth weight infant; Nutrient requirements; Formula feeding **29** (1992) 345

Human thalamus; Cellular development; Golgi impregnation; Morphometric analysis **27** (1991) 119

Human; Ammonia production; Fetal metabolism; Uteroplacental metabolism; Umbilical artery; Umbilical vein; Fetus **33** (1993) 1

Human; Cerebral cortex; Development; Perinatology; Rat **26** (1991) 61

Human; Smoking; Pregnancy; Birthweight **37** (1994) 195

Human; Vasopressin; Fetus; Neonate; Skeletal muscle **28** (1991) 215

Hydrocephalus; Hypoglycorrhachia; Neonate **36** (1993) 187

Hydrops fetalis; α-thalassemia; Prenatal diagnosis **29** (1992) 233

Hynoxia; Surfactants; Erythropoietin; Cordocentesis; Free radicals; Non-surgical sterilization; Developing countries **29** (1992) 21

Hyperbilirubinaemia; Jaundice; Newborn infant; Ceruloplasmin; Carboxyhaemoglobin **38** (1994) 91

Hyperbilirubinemia; Bilirubin-albumin binding; Neonatal jaundice **25** (1991) 37

Hyperechogenic lung lesion; Congenital lung lesion; Cystic lung lesion; Antenatal diagnosis; Ultrasound; CT scan **35** (1993) 55

Hyperoxia; Bilirubin; Albumin; Brain; Bilirubin encephalopathy; Hypoxanthine; Xanthine oxidase; Free radicals; Rat **30** (1992) 171

Hypoglycorrhachia; Hydrocephalus; Neonate **36** (1993) 187

Hypoxaemia; Preterm infant; Bradycardia; Periodic breathing **26** (1991) 1

Hypoxanthine; Bilirubin; Albumin; Brain; Bilirubin encephalopathy; Hyperoxia; Xanthine oxidase; Free radicals; Rat **30** (1992) 171

Hypoxic-ischaemic encephalopathy; Birth asphyxia; Neonatal general movements; Movement quality; Neuro-imaging; Neonatal EEG **35** (1993) 91

Hepatic hematopoiesis; Flow cytometry; Singleton gestation **30** (1992) 101

Hering Breuer reflex; Compliance; Patient-triggered ventilation **37** (1994) 9

Hering Breuer reflex; Premature birth; Lung function; Compliance; Tidal volume **28** (1991) 111

Hering-Breuer reflex; Quality of fetal movements; Fetal breathing movements; Fetal; Tracheal atresia; VATER-syndrome ultrasound; Lung hypoplasia **32** (1992) 63

Heterosexual promiscuity; HIV; Infected blood transfusion; Mother-to-infant transmission; Training of health personnel; Condoms **29** (1992) 225

High frequency oscillation; Prematurity; Respiration **40** (1994) 87

High frequency oscillatory ventilation; Conventional mechanical ventilation; Preterm newborn infant; Pulmonary air leak; Bronchopulmonary dysplasia; Intraventricular hemorrhage; Periventricular leukomalacia **32** (1992) 1

High frequency ventilation; Conventional mechanical ventilation; Preterm infants; Bronchopulmonary dysplasia; Intraventricular hemorrhage; Pulmonary air leaks **29** (1992) 293

High frequency ventilation; Low inspired humidity; Barotrauma; Newborn; Lambs; Squamous metaplasia; Scanning electron microscopy; Light microscopy **31** (1992) 53

High-frequency ventilation; Ventilation; Respiratory failure; Extracorporeal membrane oxygenation (ECMO) **29** (1992) 299

High-risk pregnancies; Doppler velocimetry; Uterine arteries; Fetal arteries **25** (1991) 187

History of neonatology; Infant mortality; Neonatal intensive care **29** (1992) 43

Hormonal regulation; Neonate; Body fluid homeostasis; Renal function **34** (1993) 179

Human Intrauterine Conceptal Tissue; GST; EDB; Detoxification; Bioactivation; Covalent binding **37** (1994) 167

Human T-lymphotropic virus type-1; Rubella; Perinatal infection; Virus; TORCH agents **29** (1992) 131

Human development; Circadian rhythms; Preterm infants; Suprachiasmatic nucleus; Body temperature; Heart rate **26** (1991) 121

Human development; Fetuses; Pelvis; Connective tissue; Adipose tissue **28** (1991) 79

Human development; Fetuses; Pelvis; Pelvic diaphragm; Levator ani muscle **37** (1994) 15

Human development; Telencephalic wall; Cellular

morphology; Golgi impregnation **32** (1992) 131

Human fetal age-related changes; FHR analysis; Probability distribution matrix; Pulsed Doppler ultrasound cardiotocography **39** (1994) 37

Human fetal heart; Sonography; Morphometry; Allometry; Anatomy **35** (1993) 173

Human fetal tissue; Essential fatty acids; Phospholipids; First trimester of pregnancy; Mother; Plasma; Red blood cells **31** (1992) 97

Human fetus; Auditory pathway; Brain stem; Brain growth; Serial sections **32** (1992) 93

Human fetus; Behavioural states; Stimulation **33** (1993) 21

Human fetus; Growth velocity; Ultrasound measurements; Sexual difference **27** (1991) 93

Human fetus; Reference values; Anthropometric measurements; Fetal biometric parameters; Perinatal autopsy **33** (1993) 45

Human fetus; Self-regulation; Heart rate **36** (1993) 69

Human fetus; Spectral analysis; Autonomic nervous system **38** (1994) 1

Human fetus; Stomach shape; Stomach volume; Three-dimensional image; Real-time ultrasound **37** (1994) 27

Human fetus; Superior olivary nucleus; Morphometry; Serial sections; Auditory pathway **40** (1994) 13

Human fetus; Urine production; Compromised fetus; Real-time ultrasound; Gestational age **40** (1994) 1

Human fetus; Behavioral states; Quantitative analysis **30** (1992) 93

Human fetus; REM period; Micturition; Temporal relationship; Real-time ultrasound **30** (1992) 11

I

IGF-1; IGFBP-1; Amniotic fluid; Extraembryonic coelom; First trimester **28** (1991) 105

IGF-I; Fetal growth; IGF-binding proteins; Placenta; Fetus **29** (1992) 187

IGF-I; Intrauterine growth retardation; Placenta fetal nutrition **29** (1992) 193

IGF-binding proteins; Fetal growth; IGF-I; Placenta; Fetus **29** (1992) 187

IGFBP-1; IGF-1; Amniotic fluid; Extraembryonic coelom; First trimester **28** (1991) 105

IUGR; Respiratory reflexes; Behavioural states, fetus; Ultrasound; Breathing movements **32** (1992) 177

Imaging; Computer; Ultrasound; Perinatology **29** (1992) 199

Immaturity; Randomized controlled trials; Perinatal; Technology assessment; Pre-eclampsia; Eclampsia **29** (1992) 305

Immunohistochemistry; Dorsal root ganglion; Neuron-specific enolase; HNK-1; Development **38** (1994) 81

Immunohistochemistry; Monoclonal antibody; Surfactant protein A-containing cells; Pulmonary development **25** (1991) 149

In situ hybridization; Amniocytes; Chorionic villi; Probes **33** (1993) 101

In utero cocaine exposure; Cocaine; Developmental injury; Prenatal cocaine exposure **31** (1992) 1

Incidence of SGA; Small for gestational age (SGA) infants; Ultrasonic dating **30** (1992) 75

Incidence; Patent ductus arteriosus; Preterm infant; Pathogenesis; Pathophysiology; Clinical features; Diagnosis; Prevention; Management and therapy **35** (1993) 1

Incisors; Maternal smoking; Pregnancy; Tooth size; First molars **40** (1994) 73

Indomethacin; Symptomatic patent ductus arter iosus; Prematurity; Volume expansion; Intravenous fluids **27** (1991) 65

Infancy; Variability; Toddlers; Developmental neurology **34** (1993) 1

Infant care practices; Sudden infant death syndrome (SIDS); Asians **38** (1994) 209

Infant care; Sudden infant death syndrome (SIDS); Physiology; Mechanisms **38** (1994) 165

Infant cortisol; Circadian rhythm; Mother cortisol; sleep-wake; Feeding; Child development **25** (1991) 197

Infant feeding; Intelligence tests; Child development; Birth order; Maternal age **31** (1992) 181

Infant mortality; Neonatal intensive care; History of neonatology **29** (1992) 43

Infant mortality; Sudden infant death syndrome (SIDS); Ethnic; Smoking **38** (1994) 143

Infant mortality; Sudden infant death syndrome (SIDS); Prone sleeping position; Risk reduction **38** (1994) 161

Infant motor development; Spontaneous movements; Video analysis **39** (1994) 109

Infant newborn; Breast milk; Formula milk; Cholecystokinin **35** (1993) 31

Infant sleep apnoea; Movement quality assessment; Repeated hypoxic events; Sudden infant death; Optimality concept **36** (1993) 31

Infant sleep; Arousals; SIDS risk factors; Evolution; Co-sleeping; Mother-infant pairs **38** (1994) 187

Infant, newborn; Chorioamnionitis; Fetal membranes, premature rupture; Infection; Placenta **40** (1994) 51

Infant; Arteriovenous anastomoses; Skin blood flow; Heart rate variability; Thermoregulation **39** (1994) 69

Infant; Newborn; Narcotics; Cocaine; Chemoreceptors **27** (1991) 175

Infant; Formula; Plasma; Phospholipid; Essential fatty acid **31** (1992) 41

Infantile spasms; Cranial computed tomography; Brain abnormalities; Paediatric seizure disorder **26** (1991) 75

Infants at no risk; Transitory neurological findings; Neurology in early infancy; Infants at risk; Sensory-motor transformation **34** (1993) 143

Infants at risk; Transitory neurological findings; Neurology in early infancy; Infants at no risk; Sensory-motor transformation **34** (1993) 143

Infants of diabetic mothers (IDMs); Auditory brain stem responses; Brain maturation **30** (1992) 221

Infants; Motor performance; Development; Assessment; Follow-up **40** (1994) 127

Infants; Small-for-gestational-age; Visual acuity; Visual fields; Children **40** (1994) 59

Infected blood transfusion; Heterosexual promiscuity; HIV; Mother-to-infant transmission; Training of health personnel; Condoms **29** (1992) 225

Infection; C-reactive protein; Fetus **32** (1992) 81

Infection; Chorioamnionitis; Fetal membranes, premature rupture; Infant, newborn; Placenta **40** (1994) 51

Infection; Lymphocyte sub-populations; Prematurity **26** (1991) 143

Infection; SIDS; Neural transformations; Sleeping position **34** (1993) 125

Inferior vena cava; Fetal behavioural states; Doppler ultrasound; Reproducibility; Flow velocities **38** (1994) 111

Inflating pressure; Resuscitation; Preterm; Apgar scores **26** (1991) 69

Information processing; Minor neurological dysfunction; Attention; Event related potentials; P300 **34** (1993) 69

Informed consent; Disclosure; Mechanical ventilation **31** (1992) 67

Insulin deficiency; Insulin; Fetal growth; Metabolism **29** (1992) 177

Insulin; Insulin deficiency; Fetal growth; Metabolism **29** (1992) 177

Intant mortality; Ethnicity; Congenital abnormality; Sudden infant death syndrome (SIDS) **38** (1994) 159

Intelligence quotient (IQ); Non-vertex delivery; Breech delivery; Internal podalic version; Elective section **39** (1994) 1

Intelligence tests; Child development; Infant feeding; Birth order; Maternal age **31** (1992) 181

Intensive care; Monocytosis; Preterm infants; Neonatal infection **28** (1991) 223

Interleukin-2; Betamethasone; Pregnancy; Lymphocytes; Newborn; Rat **36** (1993) 1

Internal carotid artery; Fetal compromise; Fetal heart rate trace; Doppler ultrasonography; Umbilical artery **32** (1992) 151

Internal carotid; Doppler ultrasound; Umbilical artery; Small for gestational age **30** (1992) 249

Internal podalic version; Non-vertex delivery; Breech delivery; Elective section; Intelligence quotient (IQ) **39** (1994) 1

Interpretation of fetal heart rate patterns; Fetal heart rate; Computer analysis; Rest-activity cycles; Fetal behavioural state concept **28** (1991) 27

Intra-uterine growth retardation; Fetal heart rate monitoring; Computer CTG; Fetal movements; Flow velocity wave form; Assessment of fetal well-being **31** (1992) 195

Intra-uterine growth retardation; Fetal movements; Movement quality; Premature rupture of the membranes; Fetal hypoxaemia **30** (1992) 193

Intrauterine fibroids; Transvaginal color Doppler; Uteroplacental circulation; Early pregnancy **29** (1992) 385

Intrauterine growth retardation; Amino acids; Percutaneous umbilical blood sampling (PUBS) **29** (1992) 183

Intrauterine growth retardation; Development; Trachea; Lung; Lung liquid surfactant; Fetal sheep **26** (1991) 13

Intrauterine growth retardation; Fetal cardiac outflow tract; Doppler ultrasonography; Neonatal outcome **26** (1991) 185

Intrauterine growth retardation; Fetal movements; Fetal heart rate variation; Fetal

hypoxaemia; Maternal hyperoxygenation **27** (1991) 223

Intrauterine growth retardation; Fetal movements; Movement quality; Low birth weight; Neurological condition **28** (1991) 119

Intrauterine growth retardation; Fetal movements; Movement quality; Neurological condition; Oligohydramnios; Premature rupture of the amniotic membranes **34** (1993) 13

Intrauterine growth retardation; Placenta fetal nutrition; JGF-1 **29** (1992) 193

Intrauterine growth retardation; Small for gestational age; Postnatal growth; Developmental outcome **39** (1994) 127

Intrauterine growth retardation; Small-for gestational age; Birthweight; Prenatal growth; Body proportionality **36** (1993) 147

Intrauterine growth retardation; Fetal growth; Ultrasound; Anthropometry; Newborn **30** (1992) 139

Intrauterine growth retardation; Small for gestational age; Velocimetry; Cerebrovascular circulation **31** (1992) 171

Intrauterine growth; Spastic cerebral palsy; Birth morphology **28** (1991) 91

Intravenous fluids; Symptomatic patent ductus arteriosus; Prematurity; Volume expansion; Indomethacin **27** (1991) 65

Intravenous immunoglobulin (IVIG); Perinatal viral infections; Perinatal bacterial infection **29** (1992) 137

Intraventricular hemorrhage; High frequency oscillatory ventilation; Conventional mechanical ventilation; Preterm newborn infant; Pulmonary air leak; Bronchopulmonary dysplasia; Periventricular leukomalacia **32** (1992) 1

Intraventricular hemorrhage; High frequency ventilation; Conventional mechanical ventilation; Preterm infants; Bronchopulmonary dysplasia; Pulmonary air leaks **29** (1992) 293

Iodine deficiency; Memory; Thyroxine; Brain; Fetus **25** (1991) 43

J

Japan; Neonatal intensive care; Collaborative study **29** (1992) 317

Japan; Training program; Developing countries **29** (1992) 207

Japanese infants; Growth; Postnatal; Very low birth weight; Appropriate for gestational age **37** (1994) 151

Jaundice; Hyperbilirubinaemia; Newborn infant; Ceruloplasmin; Carboxyhaemoglobin **38** (1994) 91

Jehovah's Witness; Erythropoietin; Anaemia of prematurity **28** (1991) 279

Joint; Embryology; Mandible **39** (1994) 57

Jugular venous occlusion; Near infrared spectroscopy; Negative pressure ventilation; Cerebral blood volume **37** (1994) 67

K

Kinematic analysis; Development; Locomotion; Dendritic bundles; Muscle activity; Rat **34** (1993) 89

Kinematic analysis; Reaching; Development; Down's syndrome **36** (1993) 157

L

Lactation; Women; Pregnancy **29** (1992) 217 Latin America; Randomized clinical trials; Collaborative research studies; Health research needs; Research methodology **29** (1992) 323

Lambs; High frequency ventilation; Low inspired humidity; Barotrauma; Newborn; Squamous metaplasia; Scanning electron microscopy; Light microscopy **31** (1992) 53

Language development; Premature infant; Neurological outcome; Longterm follow up **26** (1991) 45

Language; Auditory development; Discrimination; Habituation **36** (1993) 13

Laser Doppler flowmetry; Skin blood flow; Newborn; Sleep **37** (1994) 45

Laser Doppler; Heart rate variability; Skin blood flow; Newborn infant; Autonomic nervous control; Post-prandial flush; Power spectral analysis **39** (1994) 189

Last menstrual Period; Periodicity; Primary congenital hypothyroidism; Seasonality **26** (1991) 193

Laterality; Handedness; Birth stress; Twins **40** (1994) 23

Lateralization; Fetus; Ultrasound; Head position; Placental localization; Fetal orientation **39** (1994) 93

Lateralization; Fetus; Ultrasound; Head preference **39** (1994) 83

Learning difficulties; Minor neurological dysfunction; Puberty; Behavioural problems; Gonadal hormones **34** (1993) 59

Learning disabilities and behavioural problems; Developmental psychopathology; Symp-

tomatic expression of structural lesions; Vulnerability for schizophrenia **34** (1993) 163

Learning; Memory and neuro-chemical sequeale; Perinatal hypoxia; Postnatal consequences; Ornithine decarboxylase activity; Polyamine concentrations **29** (1992) 83

Left ventricular function; Echocardiography; Neonate; Ductus arteriosus **39** (1994) 201

Lesions; Compensation; Cerebellum; Remodelling; Clinical relevance **34** (1993) 79

Levator ani muscle; Human development; Fetuses; Pelvis; Pelvic diaphragm **37** (1994) 15

Light microscopy; High frequency ventilation; Low inspired humidity; Barotrauma; Newborn; Lambs; Squamous metaplasia; Scanning electron microscopy **31** (1992) 53

Light; ROP; Risk; Factors; Oxygen **30** (1992) 121

Local methotrexate injection; Ectopic pregnancy **39** (1994) 101

Locomotion; Development; Kinematic analysis; Dendritic bundles; Muscle activity; Rat **34** (1993) 89

Locomotion; Rat; Electromyography; Immobilization; Development **34** (1993) 89

Locomotion; Walking patterns; Preterm infants; Fullterm infants; Asymmetry; Videorecording **35** (1993) 193

Long chain polyunsaturated fatty acids; Newborn; Plasma cholesterol esters; Erythrocytes human milk **32** (1992) 207

Long chain polyunsaturated fatty acids; n-6; n-3; Preterm infant; Growth **30** (1992) 183

Long term variability; Heart rate variability; Short term variability; Respiratory sinus arrhythmia; Preterm infant; Neonatal monitoring **27** (1991) 187

Long-term variability; Heart rate variability; Short-term variability; Preterm infant; Neonatal monitoring **37** (1994) 117

Longterm follow up; Premature infant; Language development; Neurological outcome **26** (1991) 45

Low amplitude of LTV; Preterm fetus well-being; Acceleration **29** (1992) 251

Low birth weight formula; Fat balance; Medium chain triglycerides; Stools; Weight gain **30** (1992) 21

Low birth weight infant; Bronchopulmonary dysplasia; Growth; General health; Cardiopulmonary sequelae **30** (1992) 109

Low birth weight infants; Cerebral palsy; Prevalence; Antenatal causes; Postnatal causes **36** (1993) 81

Low birth weight infants; Extracellular fluid volume; Body water composition; Bromide space **27** (1991) 19

Low birth weight neonate; Amino acid profiles; Total parenteral nutrition **32** (1992) 71

Low birth weight; Education; Follow-up studies **36** (1993) 191

Low birth weight; Fetal movements; Movement quality; Intrauterine growth retardation; Neurological condition **28** (1991) 119

Low birth weight; Visual acuity; Development; Neonates; Preterms; Fullterms; SGA, AGA, low-risk **28** (1991) 155

Low birthweight; Abruptio placentae; Cerebral palsy; Neurodevelopmental disability **35** (1993) 45

Low birthweight; Tooth size **33** (1993) 81

Low birthweight; Asphyxia; Development; Developmental delay; Brainstem; Auditory evoked responses; Hearing; Neurology **30** (1992) 61

Low birthweight; Blood pressure **31** (1992) 209

Low inspired humidity; High frequency ventilation; Barotrauma; Newborn; Lambs; Squamous metaplasia; Scanning electron microscopy; Light microscopy **31** (1992) 53

Low-risk full-term infant; Neonatal behaviour; Cultural background; Neurological examination; Behavioural assessment **28** (1991) 265

Low-risk full-term infant; Neonatal behaviour; Obstetric condition; Neurological examination; Behavioural assessment **28** (1991) 253

Low-risk full-term infant; Sucking behaviour; Newborn infant; Analysis; Audio-visual aids **27** (1991) 163

Low-risk; Visual acuity; Development; Neonates; Preterms; Fullterms; SGA, AGA, low birth weight **28** (1991) 155

Lung development; Fetal breathing movements; Premature rupture of the amniotic membranes; Oligohydramnios 133

Lung development; Phosphatidylcholine; Molecular species; surfactant; Mammals **25** (1991) 157

Lung function; Chronic lung disease; Dexamethasone; Diuresis **32** (1992) 87

Lung function; Hering Breuer reflex; Premature birth; Compliance; Tidal volume **28** (1991) 111

Lung hypoplasia; Congenital diaphragmatic hernia; Fetus; Ultrasound; Extracorporeal membrane oxygenation **29** (1992) 375

Lung hypoplasia; Quality of fetal movements; Fetal breathing movements; Fetal; Tracheal atresia; VATER-syndrome; Ultrasound; Hering Breuer reflex **32** (1992) 63

Lung liquid surfactant; Intrauterine growth retardation; Development; Trachea; Lung; Fetal sheep **26** (1991) 13

Lung maturation; Respiratory distress syndrome; Corticosteroids; Pulmonary edema **29** (1992) 57

Lung permeability; Respiratory distress syndrome (RDS); Fetal lung; Surfactant; Corticosteroids **29** (1992) 283

Lung volume: Fetal circulation; Neonatal circulation; Pulmonary artery; Pulmonary vein **34** (1993) 191

Lung; Intrauterine growth retardation; Development; Trachea; Lung liquid surfactant; Fetal sheep **26** (1991) 13

Lung; Sulphotransferase; Fetus; Xenobiotics; Steroids **28** (1991) 65

Lymphocyte subpppulations; Prematurity; Infection **26** (1991) 143

Lymphocytes; Betamethasone; Pregnancy; Newborn; Interleukin-2; Rat **36** (1993) 1

M

MBD (minimal brain dysfunction); ADHD (attention deficit hyperactivity disorder); Clumsiness; Neurobehavioural disorders; Pre- and perinatal risk factors; Attention; Motor control **34** (1993) 169

MLR; Auditory evoked responses; Detectability; Preterm infants; ABR; ACR; Maturation **26** (1991) 129

Magnesium; Vitamin A; Vitamin E; Copper; Zinc; Cord blood; Fetal development **39** (1994) 177

Magnetic resonance imaging (MRI); Preterm infant; Fullterm infant; Myelination; Development **34** (1993) 155

Mammals; Phosphatidylcholine; Molecular species; lung development; Surfactant **25** (1991) 157

Management and therapy; Patent ductus arteriosus; Preterm infant; Incidence; Pathogenesis; Pathophysiology; Clinical features; Diagnosis; Prevention **35** (1993) 1

Management of patients in labour; Training in perinatal care; Senior residency programme **29** (1992) 111

Mandible; Embryology; Joint **39** (1994) 57

Manganese; Selenium; Glutathione peroxidase; Newborn; Pregnancy **26** (1991) 223

Maternal age; Birth weight; Maternal smoking; Sex; Twins **37** (1994) 161

Maternal age; Intelligence tests; Child development; Infant feeding; Birth order **31** (1992) 181

Maternal death; Safe motherhood **29** (1992) 397

Maternal height; Birth weight; Birth length; Ponderal index **25** (1991) 181

Maternal hyperoxygenation; Intrauterine growth retardation; Fetal movements; Fetal heart rate variation; Fetal hypoxaemia **27** (1991) 223

Maternal smoking; Birth weight; Maternal age; Sex; Twins **37** (1994) 161

Maternal smoking; Pregnancy; Tooth size; First molars; Incisors **40** (1994) 73

Maternal smoking; Pregnancy; Tooth size; Odontogenesis **30** (1992) 49

Maternity ward; Rooming-in; Breastfeeding guidance; Mexico **31** (1992) 25

Maturation; Auditory evoked responses; Detectability; Preterm infants; ABR; MLR; ACR **26** (1991) 129

Mechanical ventilation; Cerebral blood flow fluctuation; Respiratory distress syndrome; Ductus arteriosus; Periventricular haemorrhage **37** (1994) 179

Mechanical ventilation; Preterm Infant; Pulmonary reflexes; Entrainment **36** (1993) 175

Mechanical ventilation; Preterm infants; Chronic lung disease **26** (1991) 177

Mechanical ventilation; Respiratory interaction; Respiratory distress syndrome **25** (1991) 69

Mechanical ventilation; Disclosure; Informed consent **31** (1992) 67

Mechanisms; Sudden infant death syndrome (SIDS); Physiology; Infant care **38** (1994) 165

Medical ethics; Decision making; Neonatal intensive care units; Neonates with poor prognosis **29** (1992) 403

Medium chain triglycerides; Low birth weight formula; Fat balance; Stools; Weight gain **30** (1992) 21

Memory; Iodine deficiency; Thyroxine; Brain; Fetus; Respiratory distress syndrome; Respiratory interaction; Mechanical Ventilation **25** (1991) 69

Metabolic bone disease of prematurity; Human milk fortifier; Very low birth weight infants **29** (1992) 339

Metabolic rate; Open circuit calorimetry; Calibration techniques; Oxygen consumption; Carbon dioxide elimination **26** (1991) 167

Metabolism; Insulin; Insulin deficiency; Fetal growth **29** (1992) 177

Mexico; Maternity ward; Rooming-in; Breastfeeding guidance **31** (1992) 25

Micturition; REM period; Temporal relationship; Human fetus; Real-time ultrasound **30** (1992) 11

Mid-arm circumference / head circumference ratio; Skinfold thickness; Ponderall index; Reproducibility; Neonatal morphometric measurements **35** (1993) 37

Middle cerebral artery; Doppler ultrasound; Blood flow velocity; Fetus; Very low birth weight infant **26** (1991) 113

Middle latency auditory evoked responses (MLR); Auditory evoked responses; Neonatal; Preterm infants; Auditory brainstem evoked responses (ABR); Auditory cortical evoked responses (ACR) **31** (1992) 113

Minerals; Trace elements; Rickets of prematurity; Very low birth weight infant **29** (1992) 333

Minor neurological dysfunction; Information processing; Attention; Event related potentials; P300 **34** (1993) 69

Minor neurological dysfunction; Puberty; Behavioural problems; Learning difficulties; Gonadal hormones **34** (1993) 59

Minor neurological dysfunction; Puberty; Perinatal; Neonatal neurological abnormality **33** (1993) 71

Model; Neural network; Motor control; Development; Arm movements **34** (1993) 101

Molecular species; Phosphatidylcholine; Lung respiratory interaction; Mechanical ventilation; Development; surfactant; Mammals **25** (1991) 157

Monoclonal antibody; Immunohistochemistry; Surfactant protein A-containing cells; Pulmonary development **25** (1991) 149

Monocytosis; Preterm infants; Neonatal infection; Intensive care **28** (1991) 223

Morbidity; Doppler velocimetry; Perinatal mortality **33** (1993) 61

Morbidity; Extremely low birthweight infants; Growth and development **30** (1992) 229

Morphine; Pancuronium; Stress; Ventilation **30** (1992) 241

Morphology; Fetal; Upper face **37** (1994) 99

Morphometric analysis; Human thalamus; Cellular development; Golgi impregnation **27** (1991) 119

Morphometry; Human fetal heart; Sonography; Allometry; Anatomy **35** (1993) 173

Morphometry; Superior olivary nucleus; Human fetus; Serial sections; Auditory pathway **40** (1994) 13

Mortality; Sudden infant death syndrome (SIDS); New Zealand **38** (1994) 151

Mother cortisol; Circadian rhythm; Infant cortisol; Sleep-wake; Feeding; Child development **25** (1991) 197

Mother's awareness; Risk reducing measures; Sudden infant death syndrome **35** (1993) 207

Mother-infant pairs; Arousals; Infant sleep; SIDS risk factors; Evolution; Co-sleeping **38** (1994) 187

Mother-to-infant transmission; Heterosexual promiscuity; HIV; Infected blood transfusion; Training of health personnel; Condoms **29** (1992) 225

Mother; Essential fatty acids; Phospholipids; Human fetal tissue; First trimester of pregnancy; Plasma; Red blood cells **31** (1992) 97

Motor behaviour; Breech position; Movement restriction; Ultrasound; Development; Posture; **32** (1992) 161

Motor control; MBD (minimal brain dysfunction); ADHD (attention deficit hyperactivity disorder); Clumsiness; Neurobehavioural disorders; Pre- and perinatal risk factors; Attention **34** (1993) 169

Motor control; Neural network; Development; Arm movements; Model **34** (1993) 101

Motor development; Preterm infants; Stepping **39** (1994) 211

Motor performance; Infants; Development; Assessment; Follow-up **40** (1994) 127

Movement quality assessment; Infant sleep apnoea; Repeated hypoxic events; Sudden infant death; Optimality concept **36** (1993) 31

Movement quality; Birth asphyxia; Hypoxic-ischaemic encephalopathy; Neonatal general movements; Neuro-imaging; Neonatal EEG **35** (1993) 91

Movement quality; Fetal movements; Intrauterine growth retardation; Low birth weight; Neurological condition **28** (1991) 119

Movement quality; Fetal movements; Intrauterine growth retardation; Neurological condition; Oligohydramnios; Premature rupture of the amniotic membranes **34** (1993) 13

Movement quality; Spontaneous general movements; Preterm infants; EMG **34** (1993) 29

Movement quality; Intra-uterine growth retardation; Fetal movements; Premature rupture of

the membranes; Fetal hypoxaemia **30** (1992) 193

Movement restriction; Breech position; Motor behaviour; Ultrasound; Development; Posture **32** (1992) 161

Multicentre perinatal trial; Clinical trial; Clinical trial network; Perinatal interventions **29** (1992) 313

Multisystem involvement; Asphyxia; Neurodevelopmental sequelae **25** (1991) 135

Muscle activity; Development; Locomotion; Kinematic analysis; Dendritic bundles; Rat **34** (1993) 89

Muscle; SIDS; Sudden infant death syndrome; Diaphragm; Development; Fiber types **37** (1994) 1

Myelination; Magnetic resonance imaging (MRI); Preterm infant; Fullterm infant; Development **34** (1993) 155

Müllerian inhibiting substance; Prenatal diagnosis; XX male; Fetal testis **33** (1993) 91

Neurobehavioural disorders; MBD (minimal brain dysfunction); ADHD (attention deficit hyperactivity disorder); Clumsiness; Pre- and perinatal risk factors; Attention; Motor control **34** (1993) 169

Neurodevelopmental disability; Abruptio placentae; Low birthweight; Cerebral palsy **35** (1993) 45

Neurodevelopmental outcome; VLBW; Obstetrical and neonatal optimality; Neonatal neurology; Neonatal cerebral ultrasound **31** (1992) 131

Neurodevelopmental sequelae; Asphyxia; Multisystem involvement **25** (1991) 135

Neurological condition; Fetal movements; Movement quality; Intrauterine growth retardation; Low birth weight **28** (1991) 119

Neurological condition; Fetal movements; Movement quality; Intrauterine growth retardation; Oligohydramnios; Premature rupture of the amniotic membranes **34** (1993) 13

Neurological development; Anticoagulants; Prenatal exposure; Cognitive development; Behavioural development; Warfarin embryopathy **38** (1994) 97

Neurological development; General movements; Early infancy; Video analysis **28** (1991) 201

Neurological development; Preterm infant; Asymmetric and symmetric intrauerine growth retardation **28** (1991) 7

Neurological development; Quality of motor patterns; Transformation of neural functions; Toddlers; Early detection **34** (1993) 47

Neurological examination; Neonatal behaviour; Low-risk full-term infant; Cultural background; Behavioural assessment **28** (1991) 265

Neurological examination; Neonatal behaviour; Low-risk full-term infant; Obstetric condition; Behavioural assessment **28** (1991) 253

Neurological function; Umbilical catecholamines; Full-term infants; Cesarean section; Vaginal delivery **26** (1991) 51

Neurological outcome; Premature infant; Language development; Longterm follow up **26** (1991) 45

Neurology in early infancy; Transitory neurological findings; Infants at risk; Infants at no risk; Sensory-motor transformation **34** (1993) 143

Neurology; Low birthweight; Asphyxia; Development; Developmental delay; Brainstem; Auditory evoked potentials; Hearing **30** (1992) 61

Neuron-specific enolase; Dorsal root ganglion; HNK-1; Immunohistochemistry; Development **38** (1994) 81

New Zealand; Sudden infant death syndrome (SIDS); Mortality **38** (1994) 151

Newborn infant; Heart rate variability; Skin blood flow; Autonomic control **33** (1993) 133

Newborn infant; Heart rate variability; Skin blood flow; Autonomic nervous control; Post-prandial flush; Laser Doppler; Power spectral analysis **39** (1994) 189

Newborn infant; Heart rate variability; Spectral analysis; Data analysis; Sleep; Premature **28** (1991) 169

Newborn infant; Jaundice; Hyperbilirubinaemia; Ceruloplasmin; Carboxyhaemoglobin **38** (1994) 91

Newborn infant; Sleep state; Control of breathing; Respiratory pattern **32** (1992) 197

Newborn infant; Sucking behaviour; Low-risk full term infant; Analysis; Audio-visual aids **27** (1991) 163

Newborn infants; Cardiac output; Cerebral blood flow; Preterm; Small-for-gestational age **37** (1994) 187

Newborn infants; Oxygen consumption; Physical activity; Total parenteral nutrition **32** (1992) 113

Newborn sleep; Ultradian Cycles; Diurnal Rhythmicity **38** (1994) 67

Newborn; Atrial natriuretic peptide; Cyclic guanosine monophosphate; Sodium excretion; Preterm infant; 145

Newborn; Baroreceptors; Tilt; Arm; Calf; Blood pressure; Heart rate **26** (1991) 213

Newborn; Betamethasone; Pregnancy; Lymphocytes; Interleukin-2; Rat **36** (1993) 1

Newborn; Blood pressure; Computers **36** (1993) 27

Newborn; Blood pressure; Oscillometric method; Arm; Calf; Sleep **26** (1991) 203

Newborn; Infant; Narcotics; Cocaine; Chemoreceptors **27** (1991) 175

Newborn; Long chain polyunsaturated fatty acids; Plasma cholesterol esters; Erythrocytes; Human milk **32** (1992) 207

Newborn; Manganese; Selenium; Glutathione peroxidase; Pregnancy **26** (1991) 223

Newborn; Optimality; Risk factor; Cerebral palsy; Screening **34** (1993) 133

Newborn; Pulmonary hypertension; Persistent **33** (1993) 163

Newborn; Skin blood flow; Laser Doppler flowmetry; Sleep **37** (1994) 45

Newborn; Fetal growth; Intrauterine growth retardation; Ultrasound; Anthropometry **30** (1992) 139

Newborn; High frequency ventilation; Low inspired humidity; Barotrauma; Lambs; Squamous metaplasia; Scanning electron microscopy; Light microscopy **31** (1992) 53

Newborns; Functional residual capacity; Cesarean section; Vaginal delivery; Catecholamines **27** (1991) 103

Nitrogen balance; Energy balance; Bone density; Fortified human milk; Very low birth weight infant **39** (1994) 27

Non-immunologic hydrops fetalis; Albumin injection; Digitalization **29** (1992) 241

Non-ketotic hyperglycinemia; Glycine cleavage enzyme; Prenatal diagnosis **29** (1992) 75

Non-nutritive sucking; Full-term neonate; Behavioural state; General movements; EMG **35** (1993) 63

Non-protein nitrogen; Premature breast milk; Protein composition; True protein; Digestible protein **29** (1992) 351

Non-surgical sterilization; Surfactants; Erythropoietin; Cordocentesis; Hypoxia; Free radicals; Developing countries **29** (1992) 21

Non-vertex delivery; Breech delivery; Internal podalic version; Elective section; Intelligence quotient (IQ) **39** (1994) 1

Nutrient requirements; Very low birth weight infant; Human milk; Formula feeding **29** (1992) 345

O

Obstetric condition; Neonatal behaviour; Low-risk full-term infant; Neurological examination; Behavioural assessment **28** (1991) 253

Obstetrical and neonatal optimality; VLBW; Neonatal neurology; Neonatal cerebral ultrasound; Neurodevelopmental outcome **31** (1992) 131

Obstetrics and gynaecology; Ultrasonography; Education **29** (1992) 117

Odontogenesis; Maternal smoking; Pregnancy; Tooth size **30** (1992) 49

Oligohydramnios; Fetal breathing movements; Lung development; Premature rupture of the amniotic membranes **28** (1991) 133

Oligohydramnios; Fetal movements; Movement quality; Intrauterine growth retardation; Neurological condition; Premature rupture of the amniotic membranes **34** (1993) 13

Oligohydramnios; Pulmonary hypoplasia; Fetal breathing movements **27** (1991) 53

Ontogeny; Psychobiology; Fetal behavior; Experience; Sensation; Phylogeny; Rats **35** (1993) 153

Ontogeny; Ultradian rhythms; Circadian rhythms; Body temperature; Heart rate; Premature babies; Constant environment **27** (1991) 33

Open circuit calorimetry; Calibration techniques; Oxygen consumption; Metabolic rate; Carbon dioxide elimination **26** (1991) 167

Optimality concept; Infant sleep apnoea; Movement quality assessment; Repeated hypoxic events; Sudden infant death **36** (1993) 31

Optimality; Newborn; Risk factor; Cerebral palsy; Screening **34** (1993) 133

Ornithine decarboxylase activity; Perinatal hypoxia; Postnatal consequences; Learning; Memory and neuro-chemical sequeale; Polyamine concentrations **29** (1992) 83

Oseillometric method; Blood pressure; Arm; Calf; Sleep; Newborn **26** (1991) 203

Otitis media; Development **26** (1991) 101

Ovarian cyst; Antenatal diagnosis **29** (1992) 363

Overview; Patent ductus arteriosus; Chronic lung disease; Premature infant; Blood pressure **29** (1992) 287

Oxygen consumption; Open circuit calorimetry; Calibration techniques; Metabolic rate; Carbon dioxide elimination **26** (1991) 167

Oxygen consumption; Physical activity; Newborn infants; Total parenteral nutrition **32** (1992) 113

Oxygen; Chronic lung disease; Prematurity **26** (1991) 29

Oxygen; ROP; Risk; Factors; Light **30** (1992) 121

P

P300; Minor neurological dysfunction; Information processing; Attention; Event related potentials **34** (1993) 69

PGE_2; Placenta; Parturition; Fetal breathing; Fetal adrenal thermogenesis; Ductus arteriosus **29** (1992) 63

Paediatric seizure disorder; Cranial computed tomography; Brain abnormalities; Infantile spasms **26** (1991) 75

Pancreatic exocrine function; Necrotising enterocolitis; Chymotrypsin **35** (1993) 145

Pancuronium; Morphine; Stress; Ventilation **30** (1992) 241

Parietal cells; Stomach; Development; G-cells; Fetus **31** (1992) 163

Parity; Gestational hypertension; Smoking; Pregnancy; Race **40** (1994) 95

Parturition; Placenta; PGE_2; Fetal breathing; Fetal adrenal thermogenesis; Ductus arteriosus **29** (1992) 63

Parturition; Thyrotropin; Enthyroid neonates **28** (1991) 19

Patent ductus arteriosus; Chronic lung disease; Premature infant; Blood pressure; Overview **29** (1992) 287

Patent ductus arteriosus; Positive end expiratory pressure; Cerebral blood flow; Respiratory distress syndrome **40** (1994) 157

Patent ductus arteriosus; Preterm infant; Incidence; Pathogenesis; Pathophysiology; Clinical features; Diagnosis; Prevention; Management and therapy **35** (1993) 1

Patent ductus; Arteriosus; Heart rate variability; Respiratory distress syndrome; Periventricular haemorrhage; Neonatal monitoring; Preterm infant **27** (1991) 207

Paternal smoking; Anetpartum fetal death; Congenital anomaly; Exposure to hazards; Risk factor; Threatened abortion **28** (1991) 193

Pathogenesis; Patent ductus arteriosus; Preterm infant; Incidence; Pathophysiology; Clinical features; Diagnosis; Prevention; Management and therapy **35** (1993) 1

Pathophysiology; Patent ductus arteriosus; Preterm infant; Incidence; Pathogenesis; Clinical features; Diagnosis; Prevention; Management and therapy **35** (1993) 1

Patient-triggered ventilation; Compliance; Hering Breuer reflex **37** (1994) 9

Pelvic diaphragm; Human development; Fetuses; Pelvis; Levator ani muscle **37** (1994) 15

Pelvis; Human development; Fetuses; Connective tissue; Adipose tissue **28** (1991) 79

Pelvis; Human development; Fetuses; Pelvic diaphragm; Levator ani muscle **37** (1994) 15

Percutaneous umbilical blood sampling (PUBS); Intrauterine growth retardation; Amino acids **29** (1992) 183

Perfusion; Endothelin-1; Serotonin; Umbilical artery; Umbilical vein **27** (1991) 25

Peri- and neonatal cerebral lesions; Preterm infants; EEG, bioelectrical maturation **28** (1991) 37

Perinatal autopsy; Human fetus; Reference values; Anthropometric measurements; Fetal biometric parameters **33** (1993) 45

Perinatal bacterial infection; Intravenous immunoglobulin (IVIG); Perinatal viral infections **29** (1992) 137

Perinatal circulation; Ductus arteriosus; Foramen ovale **29** (1992) 167

Perinatal computing; Strategic planning **29** (1992) 51

Perinatal hypoxia; Postnatal consequences; Learning; Memory and neuro-chemical sequeale; Ornithine decarboxylase activity; Polyamine concentrations **29** (1992) 83

Perinatal infection; Rubella; Human T-lymphotropic virus type-I; Virus; TORCH agents **29** (1992) 131

Perinatal interventions; Multicentre perinatal trial; Clinical trial; Clinical trial network **29** (1992) 313

Perinatal mortality; Doppler velocimetry; Morbidity **33** (1993) 61

Perinatal mortality; Regionalized perinatal care; Appropriate technology **29** (1992) 203

Perinatal viral infections; Intravenous immunoglobulin (IVIG); Perinatal bacterial infection **29** (1992) 137

Perinatal; Minor neurological dysfunction; Puberty; Neonatal neurological abnormality **33** (1993) 71

Perinatal; Prenatal; Early care; Prevention; Prematurity **29** (1992) 107

Perinatal; Randomized controlled trials; Technology assessment; Immaturity; Preeclampsia; Eclampsia **29** (1992) 305

Perinatology; Cerebral cortex; Development; Rat; Human **26** (1991) 61

Perinatology; Computer; Ultrasound; Imaging **29** (1992) 199

Periodic breathing; Preterm infant; Hypoxaemia; Bradycardia **26** (1991) 1

Periodicity; Last menstrual period; Primary congenital hypothyroidism; Seasonality **26** (1991) 193

Periventricular haemorrhage; Cerebral blood flow fluctuation; Respiratory distress syndrome; Mechanical ventilation; Ductus arteriosus **37** (1994) 179

Periventricular haemorrhage; Heart rate variability; Respiratory distress syndrome; Patent ductus arteriosus; Neonatal monitoring; Preterm infant **27** (1991) 207

Periventricular leukomalacia; High frequency oscillatory ventilation; Conventional mechanical ventilation; Preterm newborn infant; Pulmonary air leak; Bronchopulmonary dysplasia; Intraventricular hemorrhage **32** (1992) 1

Periventricular-intraventricular hemorrhage; Cranial ultrasound; Reliability; Very-low-birth-weight **27** (1991) 9

Persistent; Pulmonary hypertension; Newborn **33** (1993) 163

Phosphatidylcholine; Molecular species; Lung development; Surfactant; Mammals **25** (1991) 157

Phospholipid; Infant; Formula; Plasma; Essential fatty acid **31** (1992) 41

Phospholipids; Essential fatty acids; Human fetal tissue; First trimester of pregnancy; Mother; Plasma; Red blood cells **31** (1992) 97

Phylogeny; Psychobiology; Fetal behavior; Experience; Sensation; Ontogeny; Rats **35** (1993) 153

Physical activity; Oxygen consumption; Newborn infants; Total parenteral nutrition **32** (1992) 113

Physiology; Sudden infant death syndrome (SIDS); Mechanisms; Infant care **38** (1994) 165

Placenta fetal nutrition; Intrauterine growth retardation; IGF-1 **29** (1992) 193

Placenta; Cerebral palsy; Birth-weight ratio **40** (1994) 145

Placenta; Chorioamnionitis; Fetal membranes, premature rupture; Infant, newborn; Infection **40** (1994) 51

Placenta; Fetal growth; IGF-I; IGF-binding proteins; Fetus **29** (1992) 187

Placenta; PGE_2; Parturition; Fetal breathing; Fetal adrenal thermogenesis; Ductus arteriosus **29** (1992) 63

Placental alkaline phosphatase; Down's syndrome **37** (1994) 39

Placental amino acids; Fetal amino acids; Fetal metabolism; Amino acid transport; Placental metabolism **29** (1992) 99

Placental blood flow; Doppler; Fetal hypoxia; Umbilical artery **29** (1992) 259

Placental insufficiency; Preeclampsia; Fetal hemogram; Fetal cord blood; Red cell distribution width **37** (1994) 91

Placental localization; Fetus; Ultrasound; Lateralization; Head position; Fetal orientation **39** (1994) 93

Placental metabolism; Fetal amino acids; Fetal metabolism; Placental amino acids; Amino acid transport **29** (1992) 99

Placental protein 14; Amniotic fluid; Endometrium **36** (1993) 113

Plasma ACTH and cortisol; VLBW infants; Clinical state; Postnatal dexamethasone **33** (1993) 191

Plasma cholesterol esters; Newborn; Long chain

polyunsaturated fatty acids; Erythrocytes; Human milk **32** (1992) 207

Plasma; Essential fatty acids; Phospholipids; Human fetal tissue; First trimester of pregnancy; Mother; Red blood cells **31** (1992) 97

Plasma; Infant; Formula; Phospholipid; Essential fatty acid **31** (1992) 41

Platelet count; Autoimmune thrombocytopenic purpura; Feto-natal thrombocytopenia at birth; Previous maternal splenectomy **29** (1992) 143

Polyamine concentrations; Perinatal hypoxia; Postnatal consequences; Learning; Memory and neuro-chemical sequeale; Ornithine decarboxylase activity **29** (1992) 83

Ponderal index; Maternal height; Birth weight; Birth length **25** (1991) 181

Ponderall index; Skinfold thickness; Mid-arm circumference / head circumference ratio; Reproducibility; Neonatal mophometric measurements **35** (1993) 37

Positive end expiratory pressure; Cerebral blood flow; Respiratory distress syndrome; Patent ductus arteriosus **40** (1994) 157

Post-prandial flush; Heart rate variability; Skin blood flow; Newborn infant; Autonomic nervous control; Laser Doppler; Power spectral analysis **39** (1994) 189

Postmaturity; Fetal behaviour; Behavioural states; Fetal heart rate; Fetal movements **40** (1994) 29

Postnatal causes; Cerebral palsy; Prevalence; Low birth weight infants; Antenatal causes **36** (1993) 81

Postnatal dexamethasone; VLBW infants; Plasma ACTH and cortisol; Clinical state **33** (1993) 191

Postnatal growth; Intrauterine growth retardation; Small for gestational age; Developmental outcome **39** (1994) 127

Postnatal; Cerebral Doppler; Birth weight **37** (1994) 57

Postnatal; Growth; Japanese infants; Very low birth weight; Appropriate for gestational age **37** (1994) 151

Postnatal consequences; Perinatal hypoxia; Learning; Memory and neuro-chemical sequeale; Ornithine decarboxylase activity; Polyamine concentrations **29** (1992) 83

Posture; Breech position; Movement restriction; Motor behaviour; Ultrasound; Development **32** (1992) 161

Power spectral analysis; Heart rate variability; Skin blood flow; Newborn infant; Autonomic nervous control; Post-prandial flush; Laser Doppler **39** (1994) 189

Pre term; Neonatal; Cerebral Doppler **36** (1993) 205

Pre- and perinatal risk factors; MBD (minimal brain dysfunction); ADHD (attention deficit hyperactivity disorder); Clumsiness; Neurobehavioural disorders; Attention; Motor control **34** (1993) 169

Pre-eclampsia; Randomized controlled trials; Perinatal; Technology assessment; Immaturity; Eclampsia **29** (1992) 305

Pre-pregnant weight; Body size; Spontaneous abortion; Chromosomally aberrant **25** (1991) 173

Pre-term infants; Finger movements; Brain damage **36** (1993) 89

Pre-term; Doppler; Cerebral pathology **36** (1993) 213

Preeclampsia; Fetal hemogram; Fetal cord blood; Red cell distribution width; Placental insufficiency **37** (1994) 91

Pregnancy serum; Early pregnancy factor (EPF); Rosette inhibition test; Habitual abortion; MCG; Progesterone; Estradiol **26** (1991) 83

Pregnancy; Albumin; Alpha-fetoprotein **34** (1993) 209

Pregnancy; Alcohol consumption; Birth weight; Preterm delivery **32** (1992) 121

Pregnancy; Betamethasone; Lymphocytes; Newborn; Interleukin-2; Rat **36** (1993) 1

Pregnancy; Birthweight; Zinc **25** (1991) 75

Pregnancy; Fetal movements; Type-1 diabetes mellitus; Crown-rump length **25** (1991) 107

Pregnancy; Gestational hypertension; Smoking; Race; Parity **40** (1994) 95

Pregnancy; HIV; Clinical management **29** (1992) 231

Pregnancy; Manganese; Selenium; Glutathione peroxidase; Newborn **26** (1991) 223

Pregnancy; Maternal smoking; Tooth size; First molars; Incisors **40** (1994) 73

Pregnancy; Prolactin; Amniotic fluid; Extraembryonic coelom **35** (1993) 167

Pregnancy; Smoking; Birthweight; Human **37** (1994) 195

Pregnancy; Type-1 diabetes; Early fetal growth; Crown-rump length; Biparietal diameter; Ultrasound **25** (1991) 91

Pregnancy; Women; Lactation **29** (1992) 217

Pregnancy; Maternal smoking; Tooth size; Odontogenesis **30** (1992) 49

Pregnancy; Type-1 diabetes mellitus; Early growth delay; Fetal behavioral states; Birth weight **31** (1992) 91

Premature babies; Ultradian rhythms; Circadian rhythms; Body temperature; Heart rate; Ontogeny; Constant environment **27** (1991) 33

Premature birth; Hering Breuer reflex; Lung function; Compliance; Tidal volume **28** (1991) 111

Premature breast milk; Protein composition; Non-protein nitrogen; True protein; Digestible protein **29** (1992) 351

Premature fetus; Auditory; Sound stimulation; Fetal heart rate **33** (1993) 207

Premature infant; Extracellular volume; Bromide space; Colloids **27** (1991) 1

Premature infant; Language development; Neurological outcome; Longterm follow up **26** (1991) 45

Premature infant; Patent ductus arteriosus; Chronic lung disease; Blood pressure; Overview **29** (1992) 287

Premature rupture of the amniotic membranes; Fetal breathing movements; Lung development; Oligohydramnios; 133

Premature rupture of the amniotic membranes; fetal movements; Movement quality; Intrauterine growth retardation; Neurological condition; Oligohydramnios **34** (1993) 13

Premature rupture of the membranes; Intrauterine growth retardation; Fetal movements; Movement quality; Fetal hypoxaemia **30** (1992) 193

Premature; Gastric acid; Neonate **35** (1993) 215

Premature; Heart rate variability; Spectral analysis; Data analysis; Sleep; Newborn infant; 169

Prematurity; Chronic lung disease; Oxygen **26** (1991) 29

Prematurity; Heart-rate; Heart-rate variability; Sleep states **32** (1992) 183

Prematurity; High frequency oscillation; Respiration **40** (1994) 87

Prematurity; Lymphocyte sub-populations; Infection **26** (1991) 143

Prematurity; Prenatal; Perinatal; Early care; Prevention **29** (1992) 107

Prematurity; Retinol; Retinol-binding protein; Vitamin A; VLBW infants **38** (1994) 45

Prematurity; Symptomatic patent ductus arteriosus; Volume expansion; Intravenous fluids; Indomethacin **27** (1991) 65

Prenatal cocaine exposure; Cocaine; Developmental injury; In utero cocaine exposure; Preterm infants; Auditory evoked responses; Neonatal; Auditory brainstem evoked responses (ABR); Middle latency auditory evoked responses (MLR); Auditory cortical evoked responses (ACR) **31** (1992) 113

Prenatal diagnosis; α-thalassemia; Hydrops fetalis **29** (1992) 233

Prenatal diagnosis; Duchenne muscular dystrophy (DMD); Heomphilia A; DNA analysis **29** (1992) 149

Prenatal diagnosis; Müllerian inhibiting substance; XX male; Fetal testis **33** (1993) 91

Prenatal diagnosis; Non-ketotic hyperglycinemia; Glycine cleavage enzyme **29** (1992) 75

Prenatal exposure; Anticoagulants; Neurological development; Cognitive development; Behavioural development; Warfarin embryopathy **38** (1994) 97

Prenatal growth; Intrauterine growth retardation; Small-for gestational age; Birthweight; Body proportionality **36** (1993) 147

Prenatal treatment; Congenital adrenal hyperplasia (CAH); Neonatal screening; Genetics; Review **35** (1993) 81

Prenatal; Perinatal; Early care; Prevention; Prematurity **29** (1992) 107

Preterm Infant; Mechanical ventilation; Pulmonary reflexes; Entrainment **36** (1993) 175

Preterm delivery; Pregnancy; Alcohol consumption; Birth weight **32** (1992) 121

Preterm delivery; Synthetic glucocorticosteroids; Fetal movements; Fetal heart rate; Glucocorticoid receptor **36** (1993) 49

Preterm fetus well-being; Low amplitude of LTV; Acceleration **29** (1992) 251

Preterm infant; Asymmetric and symmetric intrauerine growth retardation; Neurological development **28** (1991) 7

Preterm infant; Atrial natriuretic peptide; Cyclic guanosine monophosphate; Sodium excretion; Newborn **28** (1991) 145

Preterm infant; Cerebral blood flow; Bradycardia; Brain oxygenation **34** (1993) 119

Preterm infant; Heart rate variability; Long term variability; Short term variability; Respiratory sinus arrhythmia; Neonatal monitoring **27** (1991) 187

Preterm infant; Heart rate variability; Long-term variability; Short-term variability; Neonatal monitoring **37** (1994) 117

Preterm infant; Heart rate variability; Respiratory distress syndrome; Patent ductus arteriosus; Periventricular haemorrhage; Neonatal monitoring **27** (1991) 207

Preterm infant; Hypoxaemia; Bradycardia; Periodic breathing **26** (1991) 1

Preterm infant; Magnetic resonance imaging

(MRI); Fullterm infant; Myelination; Development **34** (1993) 155

Preterm infant; Patent ductus arteriosus; Incidence; Pathogenesis; Pathophysiology; Clinical features; Diagnosis; Prevention; Management and therapy **35** (1993) 1

Preterm infant; Respiratory distress syndrome; Endotracheal Suction **25** (1991) 87

Preterm infant; Blood transfusion; Doppler; Cerebral blood flow; Autoregulation **30** (1992) 211

Preterm infant; n-6; n-3; Long chain polyunsaturated fatty acids; Growth **30** (1992) 183

Preterm infants; Auditory evoked responses; Detectability; ABR; MLR; ACR; Maturation **26** (1991) 129

Preterm infants; Chronic lung disease; Mechanical ventilation **26** (1991) 177

Preterm infants; Circadian rhythms; Human development; Suprachiasmatic nucleus; Body temperature; Heart rate **26** (1991) 121

Preterm infants; Corrected age; Developmental indexes; Bayley scales **34** (1993) 113

Preterm infants; EEG, bioelectrical maturation; Peri- and neonatal cerebral lesions **28** (1991) 37

Preterm infants; High frequency ventilation; Conventional mechanical ventilation; Bronchopulmonary dysplasia; Intraventricular hemorrhage; Pulmonary air leaks **29** (1992) 293

Preterm infants; Monocytosis; Neonatal infection; Intensive care **28** (1991) 223

Preterm infants; Motor development; Stepping **39** (1994) 211

Preterm infants; Small-for-gestational-age infants; Body composition; Growth **33** (1993) 117

Preterm infants; Spontaneous general movements; Movement quality; EMG **34** (1993) 29

Preterm infants; Subscapular skinfold; Triceps skinfold; Abdominal skinfold **33** (1993) 177

Preterm infants; Tympan temperature; Body temperature; Skin temperature **28** (1991) 1

Preterm infants; Walking patterns; Fullterm infants; Locomotion; Asymmetry; Videorecording **35** (1993) 193

Preterm neonates; Supplemental stimulation; Behavioral states **35** (1993) 129

Preterm newborn infant; High frequency oscillatory ventilation; Conventional mechanical ventilation; Pulmonary air leak; Bronchopulmonary dysplasia intraventricular hemorrhage; Periventricular leukomalacia **32** (1992) 1

Preterm newborn; Fluctuation; Cerebral blood flow **30** (1992) 41

Preterm; Cardiac output; Cerebral blood flow; Newborn infants; Small-for-gestational age **37** (1994) 187

Preterm; Chest radiograph; Bronchopulmonary dysplasia **26** (1991) 37

Preterm; Resuscitation; Inflating pressure; Apgar scores **26** (1991) 69

Preterm; Blood pressure; Chronic lung disease; Neonate **31** (1992) 149

Preterms; Visual acuity; Development; Neonates; Fullterms; SGA, AGA, low birth weight; Low-risk **28** (1991) 155

Prevalence; Cerebral palsy; Low birth weight infants; Antenatal causes; Postnatal causes **36** (1993) 81

Prevention of late abortion; Prevention of prematurity; Ascending infections **29** (1992) 15

Prevention of prematurity; Prevention of late abortion; Ascending infections **29** (1992) 15

Prevention; Patent ductus arteriosus; Preterm infant; Incidence; Pathogenesis; Pathophysiology; Clinical features; Diagnosis; Management and therapy **35** (1993) 1

Prevention; Prenatal; Perinatal; Early care; Prematurity **29** (1992) 107

Previous maternal splenectomy; Autoimmune thrombocytopenic purpura; Feto-natal thrombocytopenia at birth; Platelet count **29** (1992) 143

Primary congenital hypothyroidism; Periodicity; Last menstrual period; Seasonality **26** (1991) 193

Primary perinatal care; Reasons for inadequacy and methodology of provision **29** (1992) 211

Probability distribution matrix; Anencephalus; Brain segment; Fetal heart rate; Neural control; Pulsed-Doppler ultrasound cardiotocography **36** (1993) 101

Probability distribution matrix; FHR analysis; Human fetal age-related changes; Pulsed Doppler ultrasound cardiotocography **39** (1994) 37

Probes; In situ hybridization; Amniocytes; Chorionic villi **33** (1993) 101

Progesterone; Early pregnancy factor (EPF); Pregnancy serum; Rosette inhibition test; Habitual abortion; HCG; Estradiol **26** (1991) 83

Prolactin; Pregnancy; Amniotic fluid; Extraembryonic coelom **35** (1993) 167

Prolonged labour; Caesarean section; Amniotomy **29** (1992) 309

Prone sleeping position; Sudden infant death syndrome (SIDS); Risk reduction; Infant mortality **38** (1994) 161

Protein composition; Premature breast milk; Non-protein nitrogen; True protein; Digestible protein **29** (1992) 351

Psychobiology; Fetal behavior; Experience; Sensation; Ontogeny; Phylogeny; Rats **35** (1993) 153

Puberty; Minor neurological dysfunction; Behavioural problems; Learning difficulties; Gonadal hormones **34** (1993) 59

Puberty; Minor neurological dysfunction; Perinatal; Neonatal neurological abnormality **33** (1993) 71

Pulmonary air leak; High frequency oscillatory ventilation; Conventional mechanical ventilation; Preterm newborn infant; Bronchopulmonary dysplasia; Intraventricular hemorrhage; Periventricular leukomalacia **32** (1992) 1

Pulmonary air leaks; High frequency ventilation; Conventional mechanical ventilation; Preterm infants; Broncho-pulmonary dysplasia; Intraventricular hemorrhage **29** (1992) 293

Pulmonary artery; Fetal circulation; Neonatal circulation; Pulmonary vein; Lung volume **34** (1993) 191

Pulmonary development; Immunohistochemistry; Monoclonal antibody; Surfactant protein A-containing cells **25** (1991) 149

Pulmonary edema; Respiratory distress syndrome; Lung maturation; Corticosteroids **29** (1992) 57

Pulmonary hypertension; Persistent; Newborn **33** (1993) 163

Pulmonary hypoplasia; Fetal breathing movements; Oligohydramnios **27** (1991) 53

Pulmonary reflexes; Preterm Infant; Mechanical ventilation; Entrainment **36** (1993) 175

Pulmonary vein; Fetal circulation; Neonatal circulation; Pulmonary artery; Lung volume **34** (1993) 191

Pulsed Doppler ultrasound cardiotocography; FHR analysis; Human fetal age-related changes; Probability distribution matrix **39** (1994) 37

Pulsed-Doppler ultrasound cardiotocography; Anencephalus; Brain segment; Fetal heart rate; Neural control; Probability distribution matrix **36** (1993) 101

Q

Quality assessment; ALTE; Apnoea, general movements; Sleep; Sudden infant death, video observation **40** (1994) 39

Quality of fetal movements; Fetal breathing movements; Fetal; Tracheal; Atresia; VATER-syndrome; Ultrasound; Lung hypoplasia; Hering-Breuer reflex **32** (1992) 63

Quality of motor patterns; Neurological development; Transformation of neural functions; Toddlers; Early detection **34** (1993) 47

Quality; Brain lesions; Systemic disease; General movements **34** (1993) 39

Quantitative analysis; Human fetus; Behavioral states **30** (1992) 93

R

REM period; Micturition; (emporal relationship; Human fetus; Real-time ultrasound **30** (1992) 11

ROP; Risk; Factors; Oxygen; Light **30** (1992) 121

Race; Gestational hypertension; Smoking; Pregnancy; Parity **40** (1994) 95

Randomized clinical trials; Collaborative research studies; Health research needs; Research methodology; Latin America **29** (1992) 323

Randomized controlled trials; Perinatal; Technology assessment; Immaturity; Pre-eclampsia; Eclampsia **29** (1992) 305

Rapid eye movements fetus; Sleep-wakefulness cycle **29** (1992) 391

Rat; Betamethasone; Pregnancy; Lymphocytes; Newborn; Interleukin-2 **36** (1993) 1

Rat; Cerebral cortex; Development; Perinatology; Human **26** (1991) 61

Rat; Growth; Dentritic branching; Development of motor pyramids; Environmental deterioration; Undernutrition **33** (1993) 145

Rat; Locomotion; Kinematic analysis; Dendritic bundles; Muscle activity; Development **34** (1993) 89

Rat; Bilirubin; Albumin; Brain; Bilirubin encephalopathy; Hyperoxia; Hypoxanthine; Xanthine oxidase; Free radicals **30** (1992) 171

Rats; Psychobiology; Fetal behavior; Experience; Sensation; Ontogeny; Phylogeny **35** (1993) 153

Reaching; Development; Down's syndrome; Kinematic analysis **36** (1993) 157

Real-time ultrasound; Fetal movements; Second half of pregnancy **25** (1991) 19

Real-time ultrasound; Stomach shape; Stomach

volume; Human fetus; Three-dimensional image **37** (1994) 27

Real-time ultrasound; Urine production; Human fetus; Compromised fetus; Gestational age **40** (1994) 1

Real-time ultrasound; REM period; Micturition; Temporal relationship; Human fetus **30** (1992) 11

Reanimation; Fetal distress; Betamimetic drugs **29** (1992) 27

Reasons for inadequacy and methodology of provision; Primary perinatal care **29** (1992) 211

Reciprocal activity; General movements; Early infancy; EMG, co-contraction **28** (1991) 231

Red blood cells; Essential fatty acids; Phospho lipids; Human fetal tissue; First trimester of pregnancy; Mother; Plasma **31** (1992) 97

Red cell distribution width; Preeclampsia; Fetal hemogram; Fetal cord blood; Placental insufficiency **37** (1994) 91

Reference values; Human fetus; Anthropometric measurements; Fetal biometric parameters; Perinatal autopsy **33** (1993) 45

Regionalized perinatal care; Perinatal mortality; Appropriate technology **29** (1992) 203

Relative dose response; Vitamin A deficiency; Vitamin A supplementation; Retinol-binding protein **30** (1992) 163

Reliability; Periventricular-intraventricular hemorrhage; Cranial ultrasound; Very-low-birthweight **27** (1991) 9

Remodelling; Compensation; Cerebellum; Lesions; Clinical relevance **34** (1993) 79

Renal arteries; Cerebral blood flow; Spalnchnic circulation; Doppler ultrasound **35** (1993) 25

Renal artery; Cerebral blood flow; Splanchnic circulation; Doppler ultrasound **34** (1993) 227

Renal blood flow; Doppler; Fetus; Fetal behaviour **33** (1993) 183

Renal function; Neonate; Body fluid homeostasis; Hormonal regulation **34** (1993) 179

Repeated hypoxic events; Infant sleep apnoea; Movement quality assessment; Sudden infant death; Optimality concept **36** (1993) 31

Reproducibility; Fetal behavioural states; Inferior vena cava; Doppler ultrasound; Flow velocities **38** (1994) 111

Reproducibility; Skinfold thickness; Ponderall index; Mid-arm circumference / head circumference ratio; Neonatal morphometric measurements **35** (1993) 37

Reproduction; Health; World; 35 research methodology; Randomized clinical trials; Collaborative research studies; Health research needs; Latin America **29** (1992) 323

Respiration; High frequency oscillation; Prematurity **40** (1994) 87

Respiration; Sudden infant death syndrome; Dendrites; Development; Brainstem **29** (1992) 171

Respiratory disease; Epidemiology; Neonatal **37** (1994) 73

Respiratory distress syndrome (RDS); Fetal lung; Surfactant; Corticosteroids; Lung permeability **29** (1992) 283

Respiratory distress syndrome; Cerebral blood flow fluctuation; Mechanical ventilation; Ductus arteriosus; Periventricular haemorrhage **37** (1994) 179

Respiratory distress syndrome; Heart rate variability; Patent ductus arteriosus; Periventricular haemorrhage; Neonatal monitoring; Preterm infant **27** (1991) 207

Respiratory distress syndrome; Lung maturation; Corticosteroids; Pulmonary edema **29** (1992) 57

Respiratory distress syndrome; Positive end expiratory pressure; Cerebral blood flow; Patent ductus arteriosus **40** (1994) 157

Respiratory distress syndrome; Preterm infant; Endotracheal suction **25** (1991) 87

Respiratory distress syndrome; Respiratory interaction; Mechanical ventilation **25** (1991) 69

Respiratory distress syndrome; Surfactant prophylaxis; Bronchopulmonary dysplasia **29** (1992) 275

Respiratory failure; Ventilation; High-frequency ventilation; Extracorporeal membrane oxygenation (ECMO) **29** (1992) 299

Respiratory interaction; Mechanical ventilation; Respiratory distress syndrome **25** (1991) 69

Respiratory pattern; Sleep state; Newborn infant; Control of breathing **32** (1992) 197

Respiratory rate; Umbilical artery; Acidaemia; Neonate; Heart rate **32** (1992) 103

Respiratory reflexes; Behavioural states; Fetus; Ultrasound; Breathing movements; IUGR **32** (1992) 177

Respiratory sinus arrhythmia; Fetal magnetocardiogram; Fetal heart rate spectral analysis; Fetal heart rate variability **35** (1993) 15

Respiratory sinus arrhythmia; Heart rate variability; Long term variability; Short term variability; Preterm infant; Neonatal monitoring **27** (1991) 187

Respiratory sinus arrhythmia; Heart rate variability; Cardiorespiratory; Neonate; Spectral analysis **31** (1992) 217

Rest-activity cycles; Fetal heart rate; Computer analysis; Fetal behavioural state concept; Interpretation of fetal heart rate patterns **28** (1991) 27

Rest-activity states; Fetal ductus ateriosus; Blood flow velocity waveforms **35** (1993) 141

Resuscitation; Preterm; Inflating pressure; Apgar scores **26** (1991) 69

Retinol-binding protein; Retinol; Vitamin A; VLBW infants; Prematurity **38** (1994) 45

Retinol-binding protein; Vitamin A deficiency; Vitamin A supplementation; Relative dose response **30** (1992) 163

Retinol; Retinol-binding protein; Vitamin A; VLBW infants; Prematurity **38** (1994) 45

Review; Congenital adrenal hyperplasia (CAH); Prenatal treatment; Neonatal screening; Genetics **35** (1993) 81

Rh-incompatibility; Anemia; Fetus; Transfusion **29** (1992) 237

Rickets of prematurity; Trace elements; Minerals; Very low birth weight infant **29** (1992) 333

Risk factor; Anetpartum fetal death; Congenital anomaly; Exposure to hazards; Paternal smoking; Threatened abortion **28** (1991) 193

Risk factor; Optimality; Newborn; Cerebral palsy; Screening **34** (1993) 133

Risk factors; Small for gestational age; Growth deficit **38** (1994) 35

Risk reducing measures; Mother's awareness; Sudden infant death syndrome **35** (1993) 207

Risk reduction; Sudden infant death syndrome (SIDS); Prone sleeping position; Infant mortality **38** (1994) 161

Risk; ROP; Factors; Oxygen; Light **30** (1992) 121

Rooming-in; Maternity ward; Breastfeeding guidance; Mexico **31** (1992) 25

Rosette inhibition test; Early pregnancy factor (EPF); Pregnancy serum; Habitual abortion; HCG; Progesterone; Estradiol **26** (1991) 83

Rubella; Human T-lymphotropic virus type-1; Perinatal infection; Virus; TORCH agents **29** (1992) 131

S

SGA; Visual acuity; Development; Neonates; Preterms; Fullterms; AGA, low birth weight; Low-risk **28** (1991) 155

SIDS risk factors; Arousals; Infant sleep; Evolution; Co-sleeping; Mother-infant pairs **38** (1994) 187

SIDS; Neural transformations; Infection; Sleeping position **34** (1993) 125

SIDS; Sudden infant death syndrome; Diaphragm; Muscle; Development; Fiber types **37** (1994) 1

SIDS; Ventilatory response; CO_2; Apnea **35** (1993) 183

SP1; Down's syndrome; Amniotic fluid **37** (1994) 175

Safe motherhood; Maternal death **29** (1992) 397

Scanning electron microscopy; High frequency ventilation; Low inspired humidity; Barotrauma; Newborn; Lambs; Squamous metaplasia; Light microscopy **31** (1992) 53

Screening; Optimality; Newborn; Risk factor; Cerebral palsy **34** (1993) 133

Seasonality; Primary congenital hypothyroidism; Periodicity; Last menstrual period **26** (1991) 193

Second half of pregnancy; Fetal movements; Real-time ultrasound **25** (1991) 19

Selenium; Manganese; Glutathione peroxidase; Newborn; Pregnancy **26** (1991) 223

Self-regulation; Human fetus; Heart rate **36** (1993) 69

Senior residency programme; Training in perinatal care; Management of patients in labour **29** (1992) 111

Sensation; Psychobiology; Fetal behavior; Experince; Ontogeny; Phylogeny; Rats **35** (1993) 153

Sensory environment; Sudden infant death syndrome (SIDS); Ethnicity; Anthropology; Co-sleeping **38** (1994) 203

Sensory-motor transformation; Transitory neurological findings; Neurology in early infancy; Infants at risk; Infants at no risk **34** (1993) 143

Serial sections; Auditory pathway; Brain stem; Human fetus; Brain growth **32** (1992) 93

Serial sections; Superior olivary nucleus; Morphometry; Human fetus; Auditory pathway **40** (1994) 13

Seropositive mothers; Symptomatic seropositive babies; HIV/AIDS; Zambia **29** (1992) 221

Serotonin; Endothelin-1; Umbilical artery; Umbilical vein; Perfusion **27** (1991) 25

Sex; Birth weight; Maternal age; Maternal smoking; Twins **37** (1994) 161

Sexual difference; Human fetus; Growth velocity; Ultrasound measurements **27** (1991) 93

Short term variability; Heart rate variability; Long term variability; Respiratory sinus arrhythmia; Preterm infant; Neonatal monitoring 187

Short-term variability; Heart rate variability; Long-term variability; Preterm infant; Neonatal monitoring **37** (1994) 117

Singleton gestation; Hepatic hematopoiesis; Flow cytometry **30** (1992) 101

Skeletal muscle; Vasopressin; Human; Fetus; Neonate **28** (1991) 215

Skin blood flow; Arteriovenous anastomoses; Heart rate variability; Thermo-regulation; Infant **39** (1994) 69

Skin blood flow; Heart rate variability; Newborn infant; Autonomic control **33** (1993) 133

Skin blood flow; Heart rate variability; Newborn infant; Autonomic nervous control; Postprandial flush; Laser Doppler; Power spectral analysis **39** (1994) 189

Skin blood flow; Laser Doppler flowmetry; Newborn; Sleep **37** (1994) 45

Skin temperature; Preterm infants; Tympan temperature; Body temperature **28** (1991) 1

Skinfold thickness; Ponderall index; Mid-arm circumference/fp///fp/head circumference ratio; Reproducibility; Neonatal morphometric measurements **35** (1993) 37

Sleep state; EEG; Fetal breathing; Baboon **38** (1994) 11

Sleep state; Newborn infant; Control of breathing; Respiratory pattern **32** (1992) 197

Sleep states; Prematurity; Heart-rate; Heart-rate variability **32** (1992) 183

Sleep-wake; Circadian rhythm; Infant cortisol; Mother cortisol; Feeding; Child development **25** (1991) 197

Sleep-wakefulness cycle; Fetus; Rapid eye movements 391

Sleep; ALTE; Apnoea, general movements; Quality assessment; Sudden infant death, video observation **40** (1994) 39

Sleep; Blood pressure; Oscillometric method; Arm; Calf; Newborn **26** (1991) 203

Sleep; Heart rate variability; Spectral analysis; Data analysis; Newborn infant; Premature **28** (1991) 169

Sleep; Skin blood flow; Laser Doppler flowmetry; Newborn **37** (1994) 45

Sleeping position; SIDS; Neural transformations; Infection **34** (1993) 125

Small for gestational age (SCA) infants; Ultrasonic dating; Incidence of SGA **30** (1992) 75

Small for gestational age; Growth deficit; Risk factors **38** (1994) 35

Small for gestational age; Intrauterine growth retardation; Postnatal growth; Developmental outcome **39** (1994) 127

Small for gestational age; Doppler ultrasound; Internal carotid; Umbilical artery **30** (1992) 249

Small for gestational age; Velocimetry; Cerebrovascular circulation; Intrauterine growth retardation **31** (1992) 171

Small-for gestational age; Intrauterine growth retardation; Birthweight; Prenatal growth; Body proportionality **36** (1993) 147

Small-for-gestational age; Cardiac output; Cerebral blood flow; Newborn infants; Preterm **37** (1994) 187

Small-for-gestational-age infants; Preterm infants; Body composition; Growth **33** (1993) 117

Small-for-gestational-age; Cerebellar vermis; Appropriate-for-gestational-age; Ultrasonography **33** (1993) 9

Small-for-gestational-age; Visual acuity; Visual fields; Infants; Children **40** (1994) 59

Smoking; Gestational hypertension; Pregnancy; Race; Parity **40** (1994) 95

Smoking; Infant mortality; Sudden infant death syndrome (SIDS); Ethnic **38** (1994) 143

Smoking; Pregnancy; Birthweight; Human **37** (1994) 195

Sodium excretion; Atrial natriuretic peptide; Cyclic guanosine monophosphate; Preterm infant; Newborn **28** (1991) 145

Sodium; Hand and pump expression of breast milk; Cross-over design **38** (1994) 131

Sonicaid System 8000; Fetal behavioural states; Fetal heart rate variation **34** (1993) 21

Sonography; Gestational age; Sulcal age **25** (1991) 209

Sonography; Human fetal heart; Morphometry; Allometry; Anatomy **35** (1993) 173

Sound stimulation; Premature fetus; Auditory; Fetal heart rate **33** (1993) 207

Spalnchnic circulation; Cerebral blood flow; Renal arteries; Doppler ultrasound **35** (1993) 25

Spastic cerebral palsy; Birth morphology; Intrauterine growth; 91

Spectral analysis; Fetal heart rate; l/f spectrum **27** (1991) 111

Spectral analysis; Heart rate variability; Data analysis; Sleep; Newborn infant; Premature 169

Spectral analysis; Human fetus; Autonomic nervous system **38** (1994) 1

Spectral analysis; Heart rate variability; Respira-

tory sinus arrhythmia; Cardiorespiratory; Neonate **31** (1992) 217

1/f Spectrum; Fetal heart rate; Spectral analysis **27** (1991) 111

Splanchnic circulation; Cerebral blood flow; Renal artery; Doppler ultrasound **34** (1993) 227

Spongiform degeneration of white matter; Abnormal fetal behaviour; Fanconi anaemia; Developmental postmortem **36** (1993) 137

Spontaneous abortion; Body size; Chromosomally aberrant; Pre-pregnant weight **25** (1991) 173

Spontaneous general movements; Preterm infants; Movement quality; EMG **34** (1993) 29

Spontaneous movements; Video analysis; Infant motor development **39** (1994) 109

Squamous metaplasia; High frequency ventilation; Low inspired humidity; Barotrauma; Newborn; Lambs; Scanning electron microscopy; Light microscopy **31** (1992) 53

Stepping; Motor development; Preterm infants **39** (1994) 211

Steroids; Sulphotransferase; Fetus; Lung; Xenobiotics **28** (1991) 65

Stimulation; Human fetus; Behavioural states **33** (1993) 21

Stomach shape; Stomach volume; Human fetus; Three-dimensional image; Real-time ultrasound **37** (1994) 27

Stomach volume; Stomach shape; Human fetus; Three-dimensional image; Real-time ultrasound **37** (1994) 27

Stomach; Development; Parietal cells; G-cells; Fetus **31** (1992) 163

Stools; Low birth weight formula; Fat balance; Medium chain triglycerides; Weight gain **30** (1992) 21

Strategic planning; Perinatal computing **29** (1992) 51

Stress; Morphine; Pancuronium; Ventilation **30** (1992) 241

Subscapular skinfold; Preterm infants; Triceps skinfold; Abdominal skinfold **33** (1993) 177

Sucking behaviour; Newborn infant; Low-risk fullterm infant; Analysis; Audio-visual aids **27** (1991) 163

Sudden infant death syndrome (SIDS); Asians; Body temperature **38** (1994) 181

Sudden infant death syndrome (SIDS); Asians; Infant care practices **38** (1994) 209

Sudden infant death syndrome (SIDS); Ethnicity; Anthropology; Co-sleeping; Sensory environment **38** (1994) 203

Sudden infant death syndrome (SIDS); Infant mortality; Ethnic; Smoking **38** (1994) 143

Sudden infant death syndrome (SIDS); Intant mortality; Ethnicity; Congenital abnormality **38** (1994) 159

Sudden infant death syndrome (SIDS); Mortality; New Zealand **38** (1994) 151

Sudden infant death syndrome (SIDS); Physiology; Mechanisms; Infant care **38** (1994) 165

Sudden infant death syndrome (SIDS); Prone sleeping position; Risk reduction; Infant mortality **38** (1994) 161

Sudden infant death syndrome; Dendrites; Development; Respiration; Brainstem **29** (1992) 171

Sudden infant death syndrome; Mother's awareness; Risk reducing measures **35** (1993) 207

Sudden infant death syndrome; SIDS; Diaphragm; Muscle; Development; Fiber types **37** (1994) 1

Sudden infant death, video observation; ALTE; Apnoea, general movements; Quality assessment; Sleep **40** (1994) 39

Sudden infant death; Infant sleep apnoea; Movement quality assessment; Repeated hypoxic events; Optimality concept **36** (1993) 31

Sulcal age; Gestational age; Sonography **25** (1991) 209

Sulphotransferase; Fetus; Lung; Xenobiotics; Steroids **28** (1991) 65

Superior olivary nucleus; Morphometry; Human fetus; Serial sections; Auditory pathway **40** (1994) 13

Supplemental stimulation; Preterm neonates; Behavioral states **35** (1993) 129

Suprachiasmatic nucleus; Circadian rhythms; Human development; Preterm infants; Body temperature; Heart rate **26** (1991) 121

Surfactant prophylaxis; Respiratory distress syndrome; Bronchopulmonary dysplasia **29** (1992) 275

Surfactant protein A-containing cells; Immunohistochemistry; Monoclonal antibody; Pulmonary development **25** (1991) 149

Surfactant; Chorioamnionitis; Complement; Cytokine; Wilson-Mikity syndrome **29** (1992) 125

Surfactant; Phosphatidylcholine; Molecular species; Lung development; Mammals **25** (1991) 157

Surfactant; Respiratory distress syndrome (RDS); Fetal lung; Corticosteroids; Lung permeability **29** (1992) 283

Surfactants; Erythropoietin; Cordocentesis; Hypoxia; Free radicals; Non-surgical sterilization; Developing countries **29** (1992) 21

Symptomatic expression of structural lesions; Developmental psychopathology; Learning disabilities and behavioural problems; Vulnerability for schizophrenia **34** (1993) 163

Symptomatic patent ductus arteriosus; Prematurity; Volume expansion; Intravenous fluids; Indomethacin **27** (1991) 65

Symptomatic seropositive babies; Seropositive mothers; HIV/AIDS; Zambia **29** (1992) 221

Synthetic glucocorticosteroids; Preterm delivery; Fetal movements; Fetal heart rate; Glucocorticoid receptor **36** (1993) 49

Systemic disease; Brain lesions; General movements; Quality **34** (1993) 39

T

T-E fistula; Esophageal atresia; Neonatal surgical mortality; Neonatal surgical emergencies **29** (1992) 369

TORCH agents; Rubella; Human T-lymphotropic virus type-I; Perinatal infection; Virus **29** (1992) 131

Technology assessment; Randomized controlled trials; Perinatal; Immaturity; Pre-eclampsia; Eclampsia **29** (1992) 305

Telencephalic wall; Human development; Cellular morphology; Golgi impregnation **32** (1992) 131

Temperature; Neonates; Circadian rhythms; Ultradian rhythms; Blood pressure; Heart rate **36** (1993) 117

Temporal relationship; REM period; Micturition; Human fetus; Real-time ultrasound **30** (1992) 11

α-Thalassemia; Hydrops fetalis; Prenatal diagnosis **29** (1992) 233

Thermo-regulation; Arteriovenous anastomoses; Skin blood flow; Heart rate variability; Infant **39** (1994) 69

Threatened abortion; Anetpartum fetal death; Congenital anomaly; Exposure to hazards; Paternal smoking; Risk factor **28** (1991) 193

Three-dimensional image; Stomach shape; Stomach volume; Human fetus; Real-time ultrasound **37** (1994) 27

Thyroid hormone; Breast milk; Epidermal growth factor **29** (1992) 329

Thyrotropin; Enthyroid neonates; Parturition **28** (1991) 19

Thyroxine; Iodine deficiency; Memory; Brain; Fetus **25** (1991) 43

Tidal volume; Hering Breuer reflex; Premature birth; Lung function; Compliance **28** (1991) 111

Tilt; Newborn; Baroreceptors; Arm; Calf; Blood pressure; Heart rate **26** (1991) 213

Toddlers; Quality of motor patterns; Neurological development; Transformation of neural functions; Early detection **34** (1993) 47

Toddlers; Variability; Infancy; Developmental neurology **34** (1993) 1

Tooth size; Low birthweight **33** (1993) 81

Tooth size; Maternal smoking; Pregnancy; First molars; Incisors **40** (1994) 73

Tooth size; Maternal smoking; Pregnancy; Odontogenesis **30** (1992) 49

Total parenteral nutrition; Amino acid profiles; Low birth weight neonate **32** (1992) 71

Total parenteral nutrition; Oxygen consumption; Physical activity; Newborn infants **32** (1992) 113

Total power; Autoregressive analysis; Component analysis; Electroencephalogram; Ultradian rhythm **32** (1992) 11

Trace elements; Minerals; Rickets of prematurity; Very low birth weight infant **29** (1992) 333

Trachea; Intrauterine growth retardation; Development; Lung; Lung liquid surfactant; Fetal sheep **26** (1991) 13

Tracheal atresia; Quality of fetal movements; Fetal breathing movements; Fetal; VATER-syndrome; Ultrasound; Lung hypoplasia; Hering-Breuer reflex **32** (1992) 63

Tracheal fluid pressure; Fetal baboon (Papio sp.); Breathing activity; Development; Gestational age **32** (1992) 31

Training in perinatal care; Management of patients in labour; Senior residency programme **29** (1992) 111

Training of health personnel; Heterosexual promiscuity; HIV; Infected blood transfusion; Mother-to-infant transmission; Condoms **29** (1992) 225

Training program; Japan; Developing countries **29** (1992) 207

Transformation of neural functions; Quality of motor patterns; Neurological development; Toddlers; Early detection **34** (1993) 47

Transfusion; Anemia; Fetus; Rh-incompatibility **29** (1992) 237

Transitory neurological findings; Neurology in early infancy; Infants at risk; Infants at no risk; Sensory-motor transformation **34** (1993) 143

Transvaginal color Doppler; Uteroplacental circulation; Early pregnancy; Intrauterine fibroids **29** (1992) 385

Transvaginal sonography; Heart rate; Dated

embryos; Embryonic pathology **37** (1994) 107

Transvaginal ultrasound; Embryology; First trimester of pregnancy **29** (1992) 381

Triceps skinfold; Preterm infants; Subscapular skinfold; Abdominal skinfold **33** (1993) 177

True protein; Premature breast milk; Protein composition; Non-protein nitrogen; Digestible protein **29** (1992) 351

Turner syndrome; Fetus; Growth **38** (1994) 121

Twins; Birth weight; Maternal age; Maternal smoking; Sex **37** (1994) 161

Twins; Handedness; Laterality; Birth stress **40** (1994) 23

Tympan temperature; Preterm infants; Body temperature; Skin temperature **28** (1991) 1

Type-1 diabetes mellitus; Fetal movements; Pregnancy; Crown-rump length **25** (1991) 107

Type-1 diabetes mellitus; Pregnancy; Early fetal growth; Crown-rump length; Biparietal diameter; Ultrasound **25** (1991) 91

Type-1 diabetes mellitus; Pregnancy; Early growth delay; Fetal behavioral states; Birth weight **31** (1992) 91

Type-1 diabetes; Pregnancy; Fetal movements; Fetal breathing **25** (1991) 117

U

Ultradian Cycles; Newborn sleep; Diurnal Rhythmicity **38** (1994) 67

Ultradian rhythm; Auto regressive analysis; Component analysis; Electroencephalogram; Total power **32** (1992) 11

Ultradian rhythms; Circadian rhythms; Body temperature; Heart rate; Premature babies; Ontogeny; Constant environment **27** (1991) 33

Ultradian rhythms; Neonates; Circadian rhythms; Temperature; Blood pressure; Heart rate **36** (1993) 117

Ultrasonic dating; Small for gestational age (SGA) infants; Incidence of SGA **30** (1992) 75

Ultrasonic examination; Antenatal diagnosis; Fetal abnormality; Fetal surgery **29** (1992) 357

Ultrasonography; Cerebellar vermis; Appropriate-for-gestational-age; Small-for-gestational-age **3** (1993) 9

Ultrasonography; Education; Obstetrics and gynaecology **29** (1992) 117

Ultrasound measurements; Human fetus; Growth velocity; Sexual difference **27** (1991) 93

Ultrasound safety; Ultrasound; Electrocortical activity; Biological effects; Fetal sheep **35** (1993) 121

Ultrasound; Breech position; Movement restriction; Motor behaviour; Development; Posture **32** (1992) 161

Ultrasound; Computer; Imaging; Perinatology **29** (1992) 199

Ultrasound; Congenital diaphragmatic hernia; Lung hypoplasia; Fetus; Extracorporeal membrane oxygenation **29** (1992) 375

Ultrasound; Congenital lung lesion; Hyperechogenic lung lesion; Cystic lung lesion; Antenatal diagnosis; CT scan **35** (1993) 55

Ultrasound; Electrocortical activity; Biological effects; Ultrasound safety; Fetal sheep **35** (1993) 121

Ultrasound; Fetus; Lateralization; Head position; Placental localization; Fetal orientation **39** (1994) 93

Ultrasound; Fetus; Lateralization; Head preference **39** (1994) 83

Ultrasound; Pregnancy; Type-1 diabetes mellitus; Early fetal growth; Crown-rump length; Biparietal diameter **25** (1991) 91

Ultrasound; Quality of fetal movements; Fetal breathing movements; Fetal; Tracheal atresia; VATER-syndrome; Lung hypoplasia; Hering Breuer reflex **32** (1992) 63

Ultrasound; Respiratory reflexes; Behavioural states; Fetus; Breathing movements; IUGR **32** (1992) 177

Ultrasound; Doppler; Fetus; Braxton Hicks' contractions; Cerebral blood flow **30** (1992) 33

Ultrasound; Fetal growth; Intrauterine growth retardation; Anthropometry; Newborn **30** (1992) 139

Umbilical artery; Acidaemia; Neonate; Respiratory rate; Heart rate **32** (1992) 103

Umbilical artery; Doppler; Fetal hypoxia; Placental blood flow **29** (1992) 259

Umbilical artery; Endothelin-1; Serotonin; Umbilical vein; Perfusion **27** (1991) 25

Umbilical artery; Fetal compromise; Fetal heart rate trace; Doppler ultrasonography; Internal carotid artery **32** (1992) 151

Umbilical artery; ammonia production; Fetal metabolism; Uteroplacental metabolism; Umbilical vein; Fetus; Human **33** (1993) 1

Umbilical artery; Doppler ultrasound; Internal carotid; Small for gestational age **30** (1992) 249

Umbilical catecholamines; Neurological function; Full-term infants; Cesarean section; Vaginal delivery **26** (1991) 51

Umbilical cord position; Neonates; Anthropometry **31** (1992) 167

Umbilical vein; Ammonia production; Fetal metabolism; Uteroplacental metabolism; Umbilical artery; Fetus; Human **33** (1993) 1

Umbilical vein; Endothelin-1; Serotonin; Umbilical artery; Perfusion **27** (1991) 25

Undernutrition; Growth; Dentritic branching; Development of motor pyramids; Environmental deterioration; Rat **33** (1993) 145

Unexplained stillbirth; Antepartum still birth; Epidemiology **30** (1992) 147

Upper face; Fetal; Morphology **37** (1994) 99

Urine production; Human fetus; Compromised fetus; Real-time ultrasound; Gestational age **40** (1994) 1

Urine volume; Atrial natriuretic factor (ANF); Cyclic-OMP; Endothelin **29** (1992) 161

Uterine arteris; Doppler velocimetry; Fetal arteries; High-risk pregnancies **25** (1991) 187

Uteroplacental circulation; Transvaginal color Doppler; Early pregnancy; Intrauterine fibroids **29** (1992) 385

Uteroplacental metabolism; Ammonia production; Fetal metabolism; Umbilical artery; Umbilical vein; Fetus; Human **33** (1993) 1

V

VATER-syndrome; Quality of fetal movements; Fetal breathing movements; Fetal; Tracheal atresia; Ultrasound; Lung Hypoplasia; Hering Breuer Reflex **32** (1992) 63

VLBW infants; Plasma ACTH and cortisol; Clinical state; Postnatal dexamethasone **33** (1993) 191

VLBW infants; Retinol; Retinol-binding protein; Vitamin A; Prematurity **38** (1994) 45

VLBW; Obstetrical and neonatal optimality; Neonatal neurology; Neonatal cerebral ultrasound; Neurodevelopmental outcome **31** (1992) 131

Vaginal delivery; Functional residual capacity; Newborns; Cesarean section; Catecholamines **27** (1991) 103

Vaginal delivery; Umbilical catecholamines; Neurological function; Full-term infants; Cesarean section **26** (1991) 51

Variability; Infancy; Toddlers; Developmental neurology **34** (1993) 1

Vasopressin; Human; Fetus; Neonate; Skeletal muscle **28** (1991) 215

Velocimetry; Small for gestational age; Cerebrovascular circulation; Intrauterine growth retardation **31** (1992) 171

Ventilation; High-frequency ventilation; Respiratory failure; Extracorporeal membrane oxygenation (ECMO) **29** (1992) 299

Ventilation; Morphine; Pancuronium; Stress **30** (1992) 241

Ventilatory response; CO_2; SIDS; Apnea **35** (1993) 183

Ventricular dimensions; Atrial systole; Heart rate **40** (1994) 109

Very low birth weight infant; Doppler ultrasound; Blood flow velocity; Fetus; Middle cerebral artery **26** (1991) 113

Very low birth weight infant; Nitrogen balance; Energy balance; Bone density; Fortified human milk **39** (1994) 27

Very low birth weight infant; Nutrient requirements; Human milk; Formula feeding **29** (1992) 345

Very low birth weight infant; Trace elements; Minerals; Rickets of prematurity **29** (1992) 333

Very low birth weight infants; Human milk fortifier; Metabolic bone disease of prematurity **29** (1992) 339

Very low birth weight; Growth; Postnatal; Japanese infants; Appropriate for gestational age **37** (1994) 151

Very-low-birth-weight; Periventricular-intraventricular hemorrhage; Cranial ultrasound; Reliability **27** (1991) 9

Vibroacoustic stimulation; Fetal monitoring; Cardiotocography; Catecholamines **25** (1991) 11

Video analysis; General movements; Early infancy; Neurological development **28** (1991) 201

Video analysis; Spontaneous movements; Infant motor development **39** (1994) 109

Videorecording; Walking patterns; Preterm infants; Fullterm infants; Locomotion; Asymmetry **35** (1993) 193

Virus; Rubella; Human T-lymphotropic virus type-I; Perinatal infection; TORCH agents **29** (1992) 131

Visual acuity; Development; Neonates; Preterms; Fullterms; SGA, AGA, low birth weight; Low risk **28** (1991) 155

Visual acuity; Small-for-gestational-age; Visual fields; Infants; Children **40** (1994) 59

Visual evoked potential; Growth retardation; Development **27** (1991) 79

Visual fields; Small-for-gestational-age; Visual acuity; Infants; Children **40** (1994) 59

Vitamin A deficiency; Vitamin A supplementation; Relative dose response; Retinol-bindin; Protein **30** (1992) 163

Vitamin A supplementation; Vitamin A deficiency; Relative dose response; Retinol-bindin; Protein **30** (1992) 163

Vitamin A; Retinol; Retinol-binding protein; VLBW infants; Prematurity **38** (1994) 45

Vitamin A; Vitamin E; Copper; Magnesium; Zinc; Cord blood; Fetal development **39** (1994) 177

Vitamin E; Vitamin A; Copper; Magnesium; Zinc; Cord blood; Fetal development **39** (1994) 177

Volume expansion; Symptomatic patent ductus arteriosus; Prematurity; Intravenous fluids; Indomethacin **27** (1991) 65

Vulnerability for schizophrenia; Developmental psychopathology; Symptomatic expression of structural lesions; Learning disabilities and behavioural problems **34** (1993) 163

W

Walking patterns; Preterm infants; Fullterm infants; Locomotion; Asymmetry; Videorecording **35** (1993) 193

Warfarin embryopathy; Anticoagulants; Prenatal exposure; Neurologicl development; Cognitive development; Behavioural development **38** (1994) 97

Weight gain; Low birth weight formula; Fat balance; Medium chain triglycerides; Stools **30** (1992) 21

Wilson-Mikity syndrome; Chorioamnionitis; Complement; Cytokine; Surfactant **29** (1992) 125

Women; Pregnancy; Lactation **29** (1992) 217

World; Reproduction; Health **29** (1992) 35

X

XX male; Müllerian inhibiting substance; Prenatal diagnosis; Fetal testis **33** (1993) 91

Xanthine oxidase; Bilirubin; Albumin; Brain; Bilirubin encephalopathy; Hyperoxia; Hypoxanthine; Free radicals; Rat **30** (1992) 171

Xenobiotics; Sulphotransferase; Fetus; Lung; Steroids **28** (1991) 65

Z

Zambia; Symptomatic seropositive babies; Seropositive mothers; HIV/AIDS **29** (1992) 221

Zinc; Birthweight; Pregnancy **25** (1991) 75

Zinc; Vitamin A; Vitamin E; Copper; Magnesium; Cord blood; Fetal development **39** (1994) 177
